Boyton Primary School Newsletter

Friday 21st June 2024

Dear Parents,

We have had another super week. The Year 2s, 3s and 4s had a fantastic time at the Climbing barn on Wednesday! The staff praised the children for their politeness, enthusiasm and determination. Well done all!

The Y5s and 6s also had a super workshop with Amelia – our school NHS mental health practitioner. She delivered a workshop exploring 'sympathy and empathy'. We were so impressed with the empathetic comments the children made.

Next week, from Monday-Wednesday, we start our swimming sessions with Y1 – Y4. The children just need a swimming costume/ trunks and a towel. They will be back in school in time for lunch. I know there's great excitement with this!

We're also looking forward to seeing you on **Friday 28th June** - from 2.40pm to come and see the children's books / work. On **Thursday 4th July**, we are having a **information evening** straight after school. In addition to various other bits, the aim is to give you an insight into our curriculum and visible learning - plus share how we deliver an ambitious curriculum within mixed year classes.

Just a reminder, the PTA are collecting for a **Bags for School collection**...please read on for more information about what we're collecting.

Finally, please return any questionnaires that may be in your child's bag! Thank you.

Finally, we wish you all a lovely weekend! As always, please don't hesitate to get in touch if you should have any queries or concerns.

Very best wishes

Mrs Davies kdavies@andaras.org

Acorn/Birch Class Update

Acorns and Birch have had another busy week of learning! We have been exploring the world again, visiting France and learning about things that are different there compared to the UK. We talked about the different foods they have and the different language that they speak! We created a travel agents and made French flags, too.

In maths, Birch children have been consolidating their learning in addition and subtraction and Acorns have been using positional language to describe where things are, looking at maps and creating our own!

Acorns have been practising writing their own sentences, using their phonic knowledge to spell words! Birch have been researching famous landmarks in London to write posters to encourage people to visit our capital city.

Please remember that your child will be choosing a book to bring home every Friday from our pink basket – this is a book for you to read to them and you are welcome to come in and choose that book with them at 3.15 every Friday.

If you have any questions or concerns, please let me know!

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

In Chestnuts Class this week the children have planned and started writing their own explanation text based on the 'Varmints' This story has many themes including, pollution, climate change and the importance of growing plants, which will be inspiration to their own writing!

In Maths this week, the year 3/4 children have had a focus of dividing decimals by 10 and 100 with a range of different numbers. The year 5/6 children have continued their learning with decimals and how to round them to the nearest whole and 1 decimal point.

In Science this week, the children have learnt how to make a telephone with string and a plastic cup and were surprised to see it actually works! The year 5/6 children learnt about levers and investigated how they could lift different weights.

On Wednesday, we took years 2,3,4 climbing – this was brilliant even though some children were nervous they all showed amazing determination to better their last climb – it was very impressive!

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

BAG 2 SCHOOL
FREE FUNDRAISING FOR SCHOOLS
In partnership with your school or organisation

www.bag2school.com

Your own clothes

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

Your own bags

By using this paper leaflet we are helping to reduce unnecessary extra plastic. Please use your own bag or bags (there is no limit). The leaflet is FSC accredited, please recycle it.

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:
Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.
(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!
Extra bags are welcome - there's no limit

Please return your Bag2School on:

Summer Reading Challenge

Your child is invited to sign up for this year's [Summer Reading Challenge](#) with Cornwall Libraries. Sign up for FREE at your local library!

What is the Summer Reading Challenge?

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy reading anything they like! Children aged 4-11 are invited to set a reading goal and collect rewards for their reading. It's completely **FREE** to take part.

It is an amazing way to boost children's confidence – last year 72% of children taking part felt more confident reading.

Why should my child sign up?

They will be **better prepared to return to school** in the autumn.

The Challenge **supports the move into a new year group**.

Becoming more independent in their reading boosts children's **confidence and self-esteem**.

The library provides **free access** to books and fun family activities all through the summer.

Library staff are on hand to offer support and book recommendations.

Your child will be part of a UK-wide programme developed by [The Reading Agency](#) and delivered in partnership with the [public library network](#).

How can my child take part? (Library OR online)

In the library. Visit your local Cornwall Library and sign up. Your child will:

Set a reading goal for the summer and borrow and read any books, eBooks and audiobooks.

Receive a Challenge booklet and collect special stickers and rewards for reading.

Online. Take part online.

Sign up on the summerreadingchallenge.org.uk.

Set a reading goal and get book recommendations and tips.

Unlock digital badges and online rewards, including a printable certificate.

When?

The Challenge will launch on **6 July**. Unsure where your closest library is? Use the <https://summerreadingchallenge.org.uk/library-zone> to check.

Head to your local library this summer and sign up! If you have any questions, please contact lib.comms@cornwall.gov.uk

Yours faithfully,
