# Boyton Primary School Newsletter

**Friday 17th November 2023**

Dear Parents,

What a busy few days we've had! On Monday, We started the week with an assembly to celebrate 'Odd Sock Day' and mark the beginning of Anti-Bullying Week. In classes, children have been exploring the theme of 'make a noise about bullying' and how they can make a difference.

The Year 3s/4s also had a fantastic time at the Woodland Skill Centre on Monday, describing it as the best day ever! They proudly shared their homemade Plantain balm and described the butter they churned for the bread they toasted on the fire. I know there is great excitement about their next visit on Monday!

Acorns/Birch children also had a great trip out on the minibus to explore our local area. The language/conversation was just brilliant! I think we all know what a valley and flooding is now!

We have also had a fantastic morning with the 'Squashbox Theatre Company' visit. It was a real treat to have live theatre at school and the theme of Space really reinforced Chestnuts' recent Science topic! Thank you to our amazing PTA!

This week, we are launching our Christmas tree decoration competition! All efforts will be used to decorate the tree. If your child would like to take part, they can use any material/technique – please can decorations be brought into school for **Friday 1<sup>st</sup> December**. There will be prizes for the best effort in each year group!

As always, please don't hesitate to get in touch if you should have any worries or concerns. Wishing you a very lovely weekend!

Kind regards

Mrs Davies

# November SEN Corner

This month I wanted to highlight a couple of services that parents are able to access without professional referral.

Firstly, the Early Help Hub. It is a great service. Professionals and parents can make referrals and for a variety of support. This service is really helpful especially if you are thinking of going down a diagnosis pathway. Most pathways require parents to have completed a parenting course. The Early Help Hub can help parents access the correct course.

<https://www.cornwall.gov.uk/health-and-social-care/childrens-services/early-help/>

## Who can request Early Help services

Professionals, parents and young people can request help, however please note:

- parents / carers must hold Parental Responsibility (PR)
- children and young people must be old enough to consent for themselves (age 13 years or above)
- professionals must have sought consent from parent / carer or competent young person

## List of Early Help Services

Parents and/or professionals can request:

- Child and Adolescent Mental Health
- Early Support - Supporting Change in Partnership (SCIP)
- Early Years Service
- Family Support
- Health Visiting
- Parenting Support
- Portage
- School Nursing
- Targeted Youth Support

Next Parent Carers Cornwall, they offer a variety of support to families of children with SEND. It can involve meetings with families in similar situations, training and workshops.

# Make a Difference Become a Parent Governor

## Why become a Parent Governor?

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Head of School and school staff to help provide a happy, safe and thriving learning environment and an excellent education for all the children.

As a Parent Governor, you will be well placed to understand parents' views and have first-hand knowledge of how the school is run. You will have the opportunity to work toward improving the school experience not only for your own child but for children in years to come.

This voluntary role can be challenging yet extremely rewarding and is a great way to build on your personal and professional skills. You will be supported in the role through training and mentoring allowing you to use your knowledge and experience to the full extent.

## What will you do?

You will work with the Local Governing Body (LGB) to develop the school's vision and priorities, review educational performance and make strategic decisions.

Parent Governors are representative parents rather than representatives of parents. You will not be expected to gather the views of other parents and take them to Governors meetings or to personally become involved in individual concerns. You will need to be able to present a balanced and impartial view, based on the benefits for all children.

Local governor meetings are held three times a year and may be combined with school visits focused on school priorities. You will receive reports from the headteacher and senior leaders and need to be able to question, challenge and support decisions. You will also be expected to visit the school as a governor which can be a quite different experience to visiting as a parent!

The governing body operates a code of conduct which sets an ethos of professionalism and high expectations of governors.

## What are we looking for?

We need enthusiastic and committed parents from a variety of backgrounds. You do not need leadership or education experience; just a desire to give back to the school and its community and a proactive approach to becoming involved as a member of a team.

## Next steps

If you are interested in finding out more, please contact Julia Stoneman Clerk to the Governors at [clerkjstoneman@gmail.com](mailto:clerkjstoneman@gmail.com)

# Acorns/Birch Update

We have had another great week! On Monday, we all loved going out in the minibus to explore our local area. The discussion on the bus was just brilliant!! We noticed lots of differences between Launceston and Boyton.

There has also been lots of great storytelling this week. Acorns have been exploring the story 'Pumpkin Soup'. It's brilliant seeing their enthusiasm for writing growing and their eagerness to apply their phonics and letter formation in writing!

All week, Birch children have been innovating the story of the Mousehole Cat. I can't wait to read their inventions that they've written today! We've been impressed with their growing writing stamina and confidence in using conjunctions.

In Maths, Reception have been using tens frames to build the understanding of 5 and 5 making 10! I was so impressed with their understanding of this. The Year 1s had fun doubling numbers to 5 and the Year 2s have been consolidating adding/subtracting 2 digit numbers across 10...really super stuff!

As always, please don't hesitate to ask if you should have any queries. Have a lovely weekend!

# Chestnuts Class Update

Chestnuts have been busy with their learning again this week! To start the week off, our year 3s and 4s went to the Woodland Skills Centre and had an amazing time learning how to light fires, forage for food, churn their own butter and lots more!

We have been writing our own monologues in Talk for Writing, focusing on the main features, and really thinking about our use of punctuation.

As mathematicians, we have been learning about prime numbers, multiples and factors in year 5 and 6, and multiples in year 3 and 4, including our times tables.

We have been super scientists this week, too, talking about the different processes that animals need to survive.

We have started off Children in Need day with a Pudsey Bear game; we all enjoyed using our mathematical knowledge to answer a variety of questions to complete the board game!

Thank you to you all for supporting your children with their Children in Need clothes and donations!

Have a great weekend!

Mrs. Gilman
