# Boyton Primary School Newsletter

**Friday 10<sup>th</sup> November 2023**

Dear Parents,

We have had another great week! We were so impressed with the Year 5s and 6s who really embraced the opportunity to play with the Exeter Chiefs at the Launceston College Primary Tag Rugby Festival! They will continue to be doing Tag-Rugby this term to build on this experience.

I was also really impressed with the really thoughtful comments made by the Year 2s,3s and 4s during our focus on Remembrance Day. Do go along to Boyton Church this weekend, to see what we have made.

Next week is Anti-Bullying week, starting with 'Odd Sock Day' on Monday 13<sup>th</sup> November. The idea for Odd Socks Day is that it's not bad to stand out, and children can be proud of their uniqueness and differences. We would love the children to wear odd socks please! We will be exploring how it's okay to be different and to stand up against bullying and discrimination.

We have a busy week ahead; I have confirmed that the Year 3s/4s are definitely visiting the Andarras Woodland Skill Centre on Monday. As part of our Geography focus, the Acorn/Birch children will also be heading out in the minibus to explore our local area! We're also really excited about Friday when we have the Storybox Theatre Company coming to school! Thank you so much to our amazing PTA for this treat!

We are very lucky to have such a proactive PTA, who are always looking for new members to support in any way. Do get in touch if you would like any more information.

As always, please don't hesitate to get in touch if you should have any worries or concerns. Have a lovely weekend!

Best wishes,  
Mrs Davies

# November SEN Corner

This month I wanted to highlight a couple of services that parents are able to access without professional referral.

Firstly, the Early Help Hub. It is a great service. Professionals and parents can make referrals and for a variety of support. This service is really helpful especially if you are thinking of going down a diagnosis pathway. Most pathways require parents to have completed a parenting course. The Early Help Hub can help parents access the correct course.

<https://www.cornwall.gov.uk/health-and-social-care/childrens-services/early-help/>

## Who can request Early Help services

Professionals, parents and young people can request help, however please note:

- parents / carers must hold Parental Responsibility (PR)
- children and young people must be old enough to consent for themselves (age 13 years or above)
- professionals must have sought consent from parent / carer or competent young person

## List of Early Help Services

Parents and/or professionals can request:

- Child and Adolescent Mental Health
- Early Support - Supporting Change in Partnership (SCIP)
- Early Years Service
- Family Support
- Health Visiting
- Parenting Support
- Portage
- School Nursing
- Targeted Youth Support

Next Parent Carers Cornwall, they offer a variety of support to families of children with SEND. It can involve meetings with families in similar situations, training and workshops.

# Make a Difference Become a Parent Governor

## Why become a Parent Governor?

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Head of School and school staff to help provide a happy, safe and thriving learning environment and an excellent education for all the children.

As a Parent Governor, you will be well placed to understand parents' views and have first-hand knowledge of how the school is run. You will have the opportunity to work toward improving the school experience not only for your own child but for children in years to come.

This voluntary role can be challenging yet extremely rewarding and is a great way to build on your personal and professional skills. You will be supported in the role through training and mentoring allowing you to use your knowledge and experience to the full extent.

## What will you do?

You will work with the Local Governing Body (LGB) to develop the school's vision and priorities, review educational performance and make strategic decisions.

Parent Governors are representative parents rather than representatives of parents. You will not be expected to gather the views of other parents and take them to Governors meetings or to personally become involved in individual concerns. You will need to be able to present a balanced and impartial view, based on the benefits for all children.

Local governor meetings are held three times a year and may be combined with school visits focused on school priorities. You will receive reports from the headteacher and senior leaders and need to be able to question, challenge and support decisions. You will also be expected to visit the school as a governor which can be a quite different experience to visiting as a parent!

The governing body operates a code of conduct which sets an ethos of professionalism and high expectations of governors.

## What are we looking for?

We need enthusiastic and committed parents from a variety of backgrounds. You do not need leadership or education experience; just a desire to give back to the school and its community and a proactive approach to becoming involved as a member of a team.

## Next steps

# Acorn/Birch Class Update

This week Birch children have been focusing on different skills in Talk for Writing such as capital letters, full stops, conjunctions and understanding the meaning behind specific words. They have also planned some fantastic innovations with some really imaginative innovations!

Our Acorn children have been focusing on the book 'Whatever, Next' by Jill Murphy. This week they have been doing activities related to this story, such as sequencing pictures, retelling the story with actions, writing 3 letter words from the story and planning what they should pack if they go on a journey to the moon!

In Maths, our Birch children have been looking at adding and subtracting across 10. This is not easy – but we've been very impressed with their growing confidence! Our Year 1 children have been looking at 1 more than, 1 less than, using sentence stems to explain their thinking. Acorns have also been comparing groups of numbers – identifying which has more/ fewer.

The children enjoyed another fun music lesson with Mr Harrison this week! We have also been exploring the different seasons in Science and identifying the features of each season. We were really impressed with their thoughtfulness when chatting about Remembrance Sunday.

As always, if you should have any questions or queries, please don't hesitate to get in touch. Have a lovely weekend. Best wishes, Miss Cartmell and Mrs Davies

# Chestnuts Class Update

What another fantastic week of learning we have had in Chestnuts! It's great to see how confident the children are becoming with their maths mastery! They have been using their knowledge of multiples and factors to delve deeper into solving problems, developing a secure understanding of these concepts.

We have been innovating a monologue text in Talk for Writing – I'm looking forward to reading their own monologues next week!

As part of our PSHE lesson, we looked at the British Justice System to understand what happens when someone breaks our laws. We created a role play of a court scene, linked to our history topic, acting out the various roles within a British court.

The highlight for the year 5s and 6s was definitely the Tag Rugby Festival! What an amazing day! Everyone showed openness and resilience to this new challenge and Mrs. Billing and I were really impressed with how the children completely embraced this fantastic opportunity!

Have a great weekend!  
Mrs. Gilman
