| Tel: 01566 772484

Dear Parents,

Firstly, the children looked super today! Thank you for your kind donations to Children In Need! We have raised £35 so far.

We have had a great week! It started last Friday afternoon (after the newsletter had been compiled!) with a visit from Will Paris, from Biffa. Will delivered a workshop to Chestnut's class about the importance of 'reducing, re-using and recycling'. It was fast paced and really informative!

Thank you also for supporting the Scholastic Book Fair on Monday! It has been wonderful seeing children reading everywhere....in nooks on the playground – even bringing new books to the conference on Wednesday! It has certainly created quite a buzz!

We're looking forward to seeing how much money we have made to spend on books for school.

A huge congratulations to some of our Year 5s and 6s who participated in the **Andaras Sustainability Conference** on Wednesday. They certainly did us proud! The morning was spent undertaking workshops all linked with issues around Climate Education. In the afternoon, each school presented, on the Launceston Town Hall stage with a microphone! Our Boyton children spoke with wonderful confidence. Well done all!

Polite request – due to our safeguarding measures, please can we avoid using our mobile phones on the playground during drop off/ collection time. Thank you.

We're looking forward to our first '**stay and play**' session next Wednesday. Do come along if you have a little one under school age. We also have **school photos on Tuesday**. Mrs Basford will send out more information about this next week.

As always, if you should have any concerns or queries, please don't hesitate to get in touch.

Have a lovely weekend.

Best wishes

Mrs Davies kdavies@andaras.org

Acorn/Birch Class Update

Acorns and Birch have been embracing their learning this week, looking closely at how penguins are adapted to living in Antarctica and how we adapt to seasonal changes.

Acorns have been reading "Tiddler" and retelling the story using props and small world animals, while Birch children dressed Charlotte up as a penguin! We gave her a thick layer of fat, a layer of oily feathers, some webbed feet and then checked that she was waterproof by spraying water on her! She stayed completely dry and was very warm, too! Perfectly adapted to live in Antarctica! In maths, Acorns have been counting up to 5 and understanding that the last number that we count is the total number of objects. Birch have been busy using place value charts to partition numbers into tens and ones, and number lines to estimate where numbers will sit. We still need to practise counting up to 100 in ones and tens, so would be grateful if you can help us at home with this – thank you!

We had another great music lesson with Mr. Harrison and enjoyed gymnastics with Caja again, using the wall apparatus to move around and balance.

Please remember to choose a reading book to share with your child as often as you like and thank you for listening to your children read at home.

Have a lovely weekend!

Mrs. Gilman

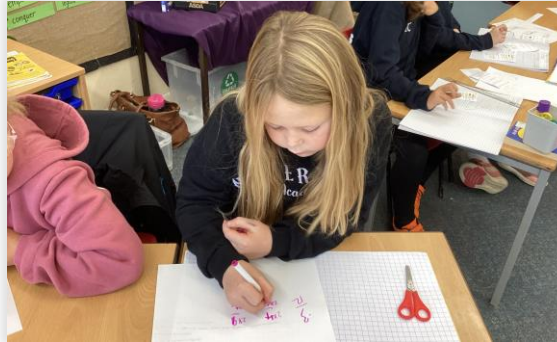

Chestnut Class Update

We have been inspired by the Cornish tale, 'The Mermaid of Zennor'. In English this week, the children have learnt how to use apostrophes and brackets through retelling the story from the Mermaid's perspective. Also, we have created a leaflet persuading people to visit Zennor, where a church pew has a very intriguing carving of the mermaid.

In Maths, the Yr 3/4 children have started a new topic of Multiplication and division, where they have learnt about arrays and how to share and group numbers. Please can we encourage children to practice their times tables using Times table Rockstars. The Yr 5/6 children have continued to learn about fractions and how to order, add and subtract fractions with different denominators.

In Science this week, the Yr 3/4 children have learnt all about sugar and how much is contained in a variety of drinks. We looked at food labels and worked out how many teaspoons were in each. While the Yr 5/6 children studied diagrams and symbols of electrical circuits = discussing whether they would work.

In PSHE this week, we have been exploring Respect – and writing poetry based on this. This has really linked to the 'Anti-bullying week'. The children made some really thoughtful contributions.

We are excited to be starting up 'Stay and Play' sessions at **Boyton Primary School**. If you have a child between birth and four years of age, we would love to see you!

Come along for a cup of tea and a chat whilst your child/ children play—every Wednesday afternoon!

Starting: Wednesday 20th November, 1.30pm – 3pm.

PTA Update

Round -up

Our next meeting will be held on Monday 11th November, 7.00 p.m. at The Stumble Inn. Everyone welcome.

If you would like to get on board with the PTA, but are unable to make the meeting, please speak to Mrs Davies and she will point you in our direction!

Without the PTA the children would not get to go on as many trips and experience different opportunities.
