Dear Parents,

What a fantastic first week back!! There seems to be a real excitement about the new approach to homework from the children and we have been really impressed with bits that they have been keen to share with us already!

Year 6 hoodies!! A huge thanks to our wonderful PTA for the Year 6 hoodies – they look very cosy and all are wearing them with pride!

We're very grateful to Gill Shippides who came in to work with a Y5/6 group gardening on Wednesday. Much effort has gone into digging through the raised beds once more. We will mulch with some cardboard – thanks for the kind donations! Gill was very impressed with the children's enthusiasm and curiosity. They learnt lots about 'good' and 'bad' weeds!

I've also been impressed with another group of Y5s/6s who are preparing for a Trust Sustainability Conference next week. This is a big deal! They will be performing in front of children from all the other schools in the trust. I am feeling very proud however - all are speaking with such confidence and enthusiasm! Many thanks for help they are receiving at home in learning words/ gathering props!

Book fair – On Monday 11th November, we are having a **Scholastic Book Fair after school!** The books have arrived! There are some bargain books – possible Christmas/ Birthday presents! Payment is all done online – through a QR code, so you don't need to worry about having cash on you.

Just a polite reminder that the gates open at 8.40am for learning activities in class. They close at 8.50am. Mrs Basford will be asking children to sign in her book, if they arrive after this time. Thank you.

As always, please don't hesitate to get in touch if you should have any queries/ concerns.

Best wishes

Mrs Basford mbasford@boytonprimary.co.uk

Acorn/Birch Class Update

We have had a great first week back to the second half of the autumn term!

Acorns have been finding circles and triangles around the school as part of their maths learning this week and talking about the properties of those shapes.

Birch have been counting in tens up to 100 and partitioning numbers to find out how many tens and ones they have. Please help us to practise counting up to 100 in ones and tens at home – thank you!

Acorns have been exploring the different characters in the Little Red Riding Hood story by making Grandma's cottage, building a den for the wolf and making cakes for Grandma!

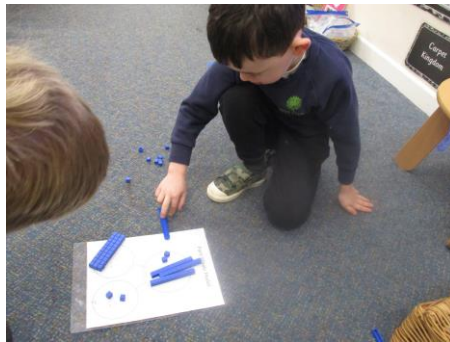

Birch have been writing questions and exclamations after reading our new writing focus book, The Sea Saw.

In geography, Birch have been finding out about Antarctica and asking the question, "Why don't penguins fly?" Acorns have been exploring our school grounds and finding different features, like paths, hedges and buildings.

Our Reception children received their new book bags this week! Thank you for supporting your child with their reading at home – this really does make a difference!

Have a lovely weekend!

Mrs. Gilman

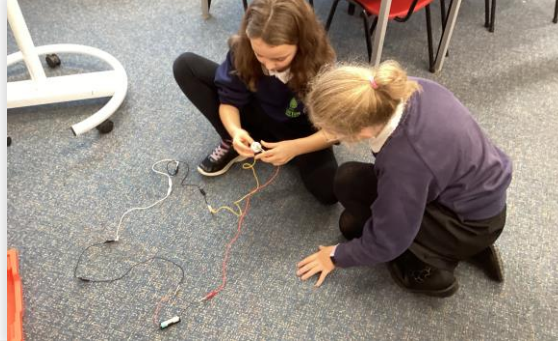

Chestnut Class Update

In English this week, the children have started looking at a new text – the beautifully illustrated book 'The Mermaid', which is set in the Cornish town of Zennor. The children have looked at some of the main characters and made predictions about how the story will end. They have also looked at the present perfect tense and unfamiliar vocabulary.

In Maths this week, the Yr 3/4 children have consolidated their learning in subtraction and have learnt how to exchange, gaining more confidence to use bigger numbers. Whereas the Yr 5/6 children have learnt how to convert fractions between mixed and improper. They have also learnt how to compare fractions.

In P.E this week, the children have started a new topic of gymnastics, where they will be working collaboratively to make and show counterbalances. During the football session, the children looked at basic dribbling and passing skills, which will be developed in the weeks to then play a match.

In Science this week, the Yr 3/4 children have been looking at what makes a healthy diet and the different information on the labels. While the Yr 5/6 created circuits and investigated how to make bulbs brighter and complete circuits.

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online, listen to their concerns, empathise and offer reassurances.

10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.

PTA Update

Round -up

Our next meeting will be held on Monday 11th November, 7.00 p.m. at The Stumble Inn. Everyone welcome.

If you would like to get on board with the PTA, but are unable to make the meeting, please speak to Mrs Davis and she will point you in our direction!

Without the PTA the children would not get to go on as many trips and experience different opportunities.

WOULD YOU SUPPORT A COMMUNITY SHOP IN BOYTON?

Several people in the village have been asked if they would support a Community Shop?

It appears the answer is yes.

We have kindly been offered a site for the shop within the village.

We already have a group of volunteers but we do need the support of all our neighbours to make it a success!!

There a lot of work ahead to achieve this exciting venture and it would be great if you would join us in this project
