Boyton Primary School Newsletter

Friday 24th November 2023

Dear Parents,

We have had a calmer week this week! Chestnuts class have started their Talk for Writing focus on 'diaries' and it was great to see them investigating features earlier in the week. I'm looking forward to seeing the writing that comes out of this focus!

Birch children have been learning a 'review' based on the Squashbox Theatre visit last week! It's been great seeing them grapple with subordinating conjunctions and suffixes!

The 3s/4s also had another super visit to the Woodland Skill Centre on Monday. We are very grateful to Claire for her very creative sessions! There is no visit next week, but the 3s/4s will have a final session on Monday 4th December.

Thank you for your contributions to Children in Need last week. The children looked fantastic and we raised an impressive £60.

PE kits – please can we ensure all children have a PE kit in school. I think some have taken them home to be washed and they may not have been returned yet. Amy's PE lessons are action packed and certainly require a change of clothes! Thank you.

Just a reminder – on **Tuesday 28th November**, we have **individual school photos** taking place. If you should have any queries do get in touch with Mrs Wood. I'm also looking forward to taking the Year 2,3 and 4 children to the chapel coffee morning on **Thursday 30th November** – to play board games with the Boyton community!

PTA news – We are very lucky to have such a proactive PTA – all of whom are a very friendly, supportive bunch! However, they are always keen to invite new members to assist in any way they can. After school this evening, they are holding a brief meeting to meet and greet some new faces! Do have a chat. Finally, we also look forward to seeing you at the PTA quiz this evening!

As always, please don't hesitate to get in touch if you should have any worries or concerns. Wishing you a very lovely weekend!

Kind regards Mrs Davies

November SEN Corner

This month I wanted to highlight a couple of services that parents are able to access without professional referral.

Firstly, the Early Help Hub. It is a great service. Professionals and parents can make referrals and for a variety of support. This service is really helpful especially if you are thinking of going down a diagnosis pathway. Most pathways require parents to have completed a parenting course. The Early Help Hub can help parents access the correct course.

<https://www.cornwall.gov.uk/health-and-social-care/childrens-services/early-help/>

Who can request Early Help services

Professionals, parents and young people can request help, however please note:

- parents / carers must hold Parental Responsibility (PR)
- children and young people must be old enough to consent for themselves (age 13 years or above)
- professionals must have sought consent from parent / carer or competent young person

List of Early Help Services

Parents and/or professionals can request:

- Child and Adolescent Mental Health
- Early Support - Supporting Change in Partnership (SCIP)
- Early Years Service
- Family Support
- Health Visiting
- Parenting Support
- Portage
- School Nursing
- Targeted Youth Support

Next Parent Carers Cornwall, they offer a variety of support to families of children with SEND. It can involve meetings with families in similar situations, training and workshops.

Make a Difference Become a Parent Governor

Why become a Parent Governor?

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Head of School and school staff to help provide a happy, safe and thriving learning environment and an excellent education for all the children.

As a Parent Governor, you will be well placed to understand parents' views and have first-hand knowledge of how the school is run. You will have the opportunity to work toward improving the school experience not only for your own child but for children in years to come.

This voluntary role can be challenging yet extremely rewarding and is a great way to build on your personal and professional skills. You will be supported in the role through training and mentoring allowing you to use your knowledge and experience to the full extent.

What will you do?

You will work with the Local Governing Body (LGB) to develop the school's vision and priorities, review educational performance and make strategic decisions.

Parent Governors are representative parents rather than representatives of parents. You will not be expected to gather the views of other parents and take them to Governors meetings or to personally become involved in individual concerns. You will need to be able to present a balanced and impartial view, based on the benefits for all children.

Local governor meetings are held three times a year and may be combined with school visits focused on school priorities. You will receive reports from the headteacher and senior leaders and need to be able to question, challenge and support decisions. You will also be expected to visit the school as a governor which can be a quite different experience to visiting as a parent!

The governing body operates a code of conduct which sets an ethos of professionalism and high expectations of governors.

What are we looking for?

We need enthusiastic and committed parents from a variety of backgrounds. You do not need leadership or education experience; just a desire to give back to the school and its community and a proactive approach to becoming involved as a member of a team.

Acorns/Birch Update

Firstly, a huge thanks for all your support in listening to your child read. It really supports the daily phonic sessions they're receiving in school.

We have had a great week of learning this week. In Maths, Year 2 have begun grappling with Shape – it's been great to see confidence growing in the use of vocabulary such as vertices and polygons, plus finding lines of symmetry. Year 1 have been focusing on odd and even numbers and recognizing the differences, whilst Reception have been building their confidence in 1-1 correspondence, using objects to assist.

Birch children have also started a new unit for Talk for Writing based on a review of the Squashbox Theatre visit. The children are loving their new targets and are eagerly working towards them already! This week, Acorns have finished their Talk for Writing focus on the story, 'Pumpkin Soup' and have started a new focus; 'Stickman!' We have been so impressed with their growing confidence in writing!

Wishing you a lovely weekend!

Miss Cartmell and Mrs Davies

Chestnuts Class Update

What another fantastic week of learning we have had in Chestnuts! Everyone has embraced our maths learning about fractions and it's been great to see more children gaining the confidence to contribute during our lessons; we learn from our mistakes, so we've decided that it's fine to speak up, even when we get things wrong!

We have been looking at diary entries in Talk for Writing, enjoying a drama session about a goblin catcher as our hook into our new text!

Our science, as you know, is all about the processes that our bodies need to survive. The children have enjoyed putting the internal organs in the correct place in our human body model and learning about their functions.

Our music lessons with Mr. Harrison are sounding amazing – we are looking forward to performing with our ukuleles at the Christmas performance. Please remember that Wednesdays are our music days, so ukuleles need to be in school.

We have been continuing to practise our tag rugby skills in PE with Amy and are becoming experts in the sport! Please remember PE kits and trainers every week – thank you!

Have a great weekend everyone!

Mrs. Gilman
