Boyton Primary School Newsletter

Friday 29th September 2023

Dear Parents,

Firstly, it has been lovely seeing several children, who participated in the Bikeability a couple of weeks ago, cycling to school this week to be part of the Sustrans cycle to school initiative. I was really impressed to see all in helmets and even some fluorescent jackets. Super! We are really happy to encourage more active travel to school...walking, cycling, horseback, scooting?!

Also, a huge thanks to our fantastic PTA for another very successful dog show!! It was lovely to see it so well supported and a very impressive £850 raised! Mrs Gilman and I would both like our own dog to bring next year! There is a great Harvest scarecrow competition to be involved with next!

You may have noticed Mrs Gilman out this week. We are part of a project linked with the Maths Hub and she has been involved with some great training this week! Acorns (Reception) and Birch (Y1 and 2) children will also benefit as Miss Cartmell will be introducing the Maths Hub 'Mastering number' programme from next week, which builds fluency/automaticity with number. Exciting stuff!

Thank you to all who were able to join us for the Early Reading Workshop at the beginning of the week. Hopefully you should all have access to the powerpoint and some useful resources now, if you weren't able to attend.

Harvest assembly – Tuesday 3rd October (9.10am)

We would like to invite you all to our Harvest assembly on Tuesday. We hope to have it outside on the field...weather permitting. Alternatively, we will use the hall.

We are collecting for Launceston Food bank. Any contributions would be very gratefully received – please see attached for a reminder of possible items.

Acorns/Birth Class - Great Reading with Grandparents!

We would love to inspire our passion for books. We are looking for five willing grandparents to come in and share a favourite children's story with the class. Ideally, we'd like someone different for every day of the week, beginning on Monday 9th October, from 2.45pm! If you should know any grandparents - male or female who would like to help us out, please let Mrs Wood, Mrs Davies or Miss Cartmell know!

Finally, as always, please don't hesitate to get in touch if you should any worries or concerns. Have a lovely weekend!

Mrs Davies

The poster features the Sustrans logo at the top right, which includes the text 'sustrans' and '2010 THE MOVEMENT'. To the left of the logo is a colorful graphic of a bicycle wheel with segments in red, orange, yellow, and green. Below this is a line of icons representing different modes of transport: a person walking, a person on a bicycle, a person on a scooter, and a person on a horse. The main title 'Cycle to School Week' is written in a large, bold, blue font. Below the title is a dark blue box with the text 'Why get involved?' in white. Underneath this box is a list of four bullet points, each with a small blue square icon:

- ENERGISE pupils to be more alert, relaxed and ready to start the day
- IMPROVE local air quality and reduce congestion
- EDUCATE children to be aware of road safety & feel more independent
- BOOST your school's physical and mental health and wellbeing

- Families can talk about being smart about what and how they share online in general and in JusTalk Kids - Safe Video Chat. Read our Parent Concerns guide to Facebook, Instagram, and Social and start your family's own conversation about your family's rules for using social media.
- Talk about interacting safely and kindly online. How did your family choose your contacts? Why did we pick those people? What types of messages is it OK to send? What should you avoid?
- Discuss types of communication and what works best for different situations. What kind of communication works best in a messaging app? What's best over the phone or in person?

PTA Update

Round -up

A huge thank you to all who came and those who organised our yearly Boyton School Dog Show.

It was a great day with another big turnout, we raised just over £870. Well done everyone.

Looking forward we will be bringing back the Boyton Scarecrow competition, good fun for all the family.

We will be having our PTA meeting to discuss future events and school requests on 11th October 2023 at 19:30 at The Stumble Inn – All welcome.

SEN Corner

For new and existing parents and carers I think it is important that at the beginning of the year I highlight that all teachers at Boyton Primary are teachers of SEN. We are collectively responsible for ensuring each child has a first quality education that is appropriate for their learning needs.

If you have concerns regarding your child please go to your child's class teacher first they will support you or will direct you to myself. I am Sam Brooks the Special Educational Needs Coordinator at Boyton.

At the beginning of the year it is also important to direct you to our school website which under the 'Key information' tab has a SEND page with all of our current documents.

My contact details are sbrooks@boyton.cornwall.sch.uk

Make a Difference Become a Parent Governor

Why become a Parent Governor?

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Head of School and school staff to help provide a happy, safe and thriving learning environment and an excellent education for all the children.

As a Parent Governor, you will be well placed to understand parents' views and have first-hand knowledge of how the school is run. You will have the opportunity to work toward improving the school experience not only for your own child but for children in years to come.

This voluntary role can be challenging yet extremely rewarding and is a great way to build on your personal and professional skills. You will be supported in the role through training and mentoring allowing you to use your knowledge and experience to the full extent.

What will you do?

You will work with the Local Governing Body (LGB) to develop the school's vision and priorities, review educational performance and make strategic decisions.

Parent Governors are representative parents rather than representatives of parents. You will not be expected to gather the views of other parents and take them to Governors meetings or to personally become involved in individual concerns. You will need to be able to present a balanced and impartial view, based on the benefits for all children.

Local governor meetings are held three times a year and may be combined with school visits focused on school priorities. You will receive reports from the headteacher and senior leaders and need to be able to question, challenge and support decisions. You will also be expected to visit the school as a governor which can be a quite different experience to visiting as a parent!

The governing body operates a code of conduct which sets an ethos of professionalism and high expectations of governors.

What are we looking for?

We need enthusiastic and committed parents from a variety of backgrounds. You do not need leadership or education experience; just a desire to give back to the school and its community and a proactive approach to becoming involved as a member of a team.

Acorn/Birch Class Update

Some great learning has been taking place in Acorn/Birch class this week. Using the journey tale of the Little Red Hen, we have been inventing our own stories this week. It has been great seeing confidence growing in terms of story-telling, writing stamina and use of basic punctuation – particularly with our Year 2s.

As our History focus is the Great Fire of London, this week we looked at the chronology of events from how the fire started and how long it lasted. The children were brilliant at remembering the days of the week and how long the fire lasted. Our Year 2s made their own timeline of events.

In Design Technology today, we have been consolidating our knowledge our stable structures. We have enjoyed investigating the use of triangles to make a structure strong!

As always, if you have any questions about your child's learning for this year, please get in touch!
Have a lovely weekend!
Mrs Davies and Miss Cartmell

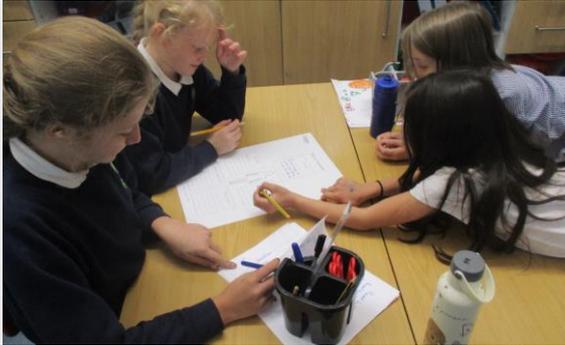

Chestnut Class Update

Chestnuts have had another great week of learning this week; they have been innovating their story openings of The Iron Man and have shown a deep understanding of the original text. In maths, they have been exploring the use of different strategies to solve addition and subtraction questions. The children have written some impressive Harvest poems in preparation for our Harvest Festival next week – we look forward to performing some of these to you!

As part of our PSHE learning this week, we have been discussing how we can show respect to others around us and why this is important.

We had another amazing music session with Mr. Harrison – thank you for your support with the ukulele practice at home! Our supply teacher was very impressed with the children's behavior and their attitude to learning this week, so well done to everyone!

Have a lovely weekend!
Mrs. Gilman
