

Boyton Primary School

Boyton Primary School Newsletter

Friday 22nd September 2023

Dear Parents,

Firstly, congratulations on such a fantastic start to the school year in terms of our school attendance! It has been so great seeing all children in school every day! As you know, great attendance is linked to providing children with the best possible start in life. We really want to continue to improve our attendance and have recently been reviewing the school attendance policy. We will be sending it home next week for your interest.

We've had a great week in school. It's been fantastic seeing children embracing learning through our curriculum. Mrs Gilman was really impressed with the enthusiasm demonstrated in Science as the children start their new topic on Space. Miss Cartmell and I have also been impressed with the curiosity shown in our new topic of 'The Great Fire of London'.

We have had a wonderful delivery of new books bought to enrich the different curriculum areas. Thank you so much to the PTA for buying these for us! We can't wait to share them with the children.

For those learning ukulele with Mr Harrison, thank you for returning your forms – I hope you are enjoying your child's efforts in practicing! Do let me know if your child is expressing an enthusiasm in pursuing this further – or another instrument. I'm very happy to look into the opportunity of having some peripatetic music teachers if this is something that you may be interested in for your child.

We're looking forward to the Dog Show this Sunday – please come along, with or without your dog/s! (read on for more information!)

Monday 25th September – Early Reading workshop 2.30pm

If you have a child in Reception or Year 1, do come along to a workshop I'm running on Monday afternoon to learn about how we teach early reading and how best to support your child. The Reception children are doing really well with their sounds and it's great to see their confidence growing in early blending!!

Acorns/Birch Class - Great Reading with Grandparents!

We would love to inspire our passion for books. We are looking for five willing grandparents to come in and share a favourite children's story with the class. Ideally, we'd like someone different for every day of the week, beginning on Monday 9th October, from 2.45pm! If you should know any grandparents - male or female who would like to help us out, please let Mrs Wood, Mrs Davies or Miss Cartmell know!

Finally, as always, please don't hesitate to get in touch if you should have any worries or concerns. Have a lovely weekend!

Mrs Davies

Dates for Your Diary

Reading Workshop for parents/carers Monday 25th September 2:30pm

Harvest Festival Tuesday 3rd October 9:15am

Parents' Guide to

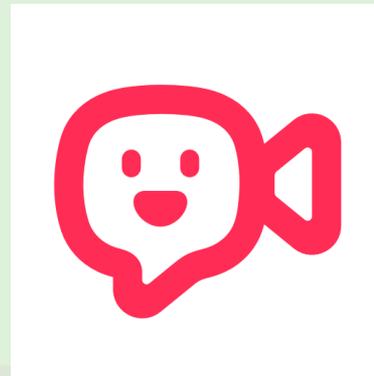

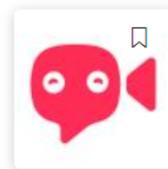

JustTalk Kids - Safe Video Chat

By Patricia Monticello Kievlan, Common Sense Media Reviewer 

 age 13+ 

Slimmed-down version of adult chat app; use with caution.

App | [iPhone](#), [iPod Touch](#), [iPad](#), [Android](#) | Free | [Social Networking](#)

Talk to Your Kids About ...

- Families can talk about being smart about what and how they share online in general and in JusTalk Kids - Safe Video Chat. Read our Parent Concerns guide to Facebook, Instagram, and Social and start your family's own conversation about your family's rules for using social media.
- Talk about interacting safely and kindly online. How did your family choose your contacts? Why did we pick those people? What types of messages is it OK to send? What should you avoid?
- Discuss types of communication and what works best for different situations. What kind of communication works best in a messaging app? What's best over the phone or in person?

Solihull Parenting Course

<https://solihullapproachparenting.com/online-course-for-parents-0-19/>

UNDERSTANDING YOUR CHILD

SOLIHULL APPROACH

Understanding your child

'Understanding your child' is the core parenting course for parents with children aged 6 months to 19 years. It is also available in a version for parents with children with additional needs. 'Understanding your child's mental health' is a slightly different format based around the core course.

It was the first online course for parents to be awarded the Government's CANparent Quality Mark.

It was developed by the Solihull Approach team; health professionals working together with parents and practitioners.

“ Over 90% of parents think that a parenting course would be useful. However, destigmatising parenting courses so that parents feel comfortable in accessing them is our mission and providing anytime online courses for ease of access is part of achieving that.

Monday 25th September – Friday 29th September

Cycle, Scoot or walk to school week!

Cycle to School Week is organised by the Bikeability Trust and supported by Sustrans. Cycle to School Week is a week-long event where families are encouraged to try walking, cycling and scooting to school.

The graphic features the Bikeability logo (ability, safety, quality) on the top left, the Sustrans logo (JOIN THE MOVEMENT) on the top right, and a central illustration of a person walking, a person on a bicycle, and a person on a scooter. Below this is the title 'Cycle to School Week' in large, colorful letters. A blue box contains the text 'Why get involved?' followed by a list of four benefits, each preceded by a blue checkmark icon.

Cycle to School Week

Why get involved?

- ✓ **ENERGISE** pupils to be more alert, relaxed and ready to start the day
- ✓ **IMPROVE** local air quality and reduce congestion
- ✓ **EDUCATE** children to be aware of road safety & feel more independent
- ✓ **BOOST** your school's physical and mental health and wellbeing

Acorn/Birch Class Update

We've had a great week! This week the children have been exploring their senses during Science. They had to guess what fruit or vegetable they were eating, with their eyes closed! They all tried this activity and loved guessing what they were eating.

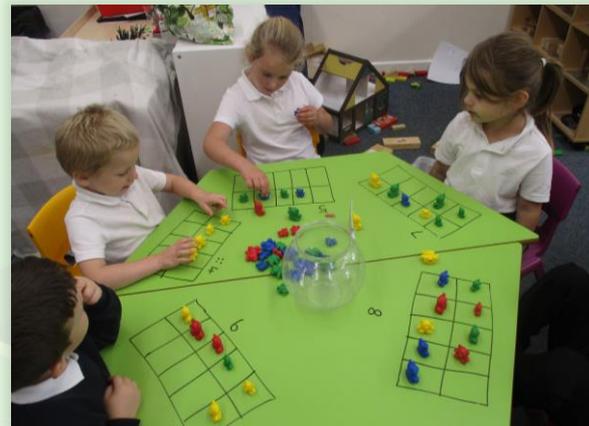

In History this week the children were exploring the difference between past and present. Acorns were sorting old and new into groups using pictures, whilst Birch were comparing London today to London in 1666.

We've continued learning 'The Little Red Hen' this week and have started to innovate our own characters for the story! It's been great seeing the children so enthusiastic about planning their own details of the story.

In Maths, Birch have been developing the understanding of place value up to 100 – partitioning using different methods, including bar models, part, part - wholes and place value charts. Fantastic learning!

As always, if you have any questions about your child's learning for this year, please get in touch! Have a wonderful weekend, especially at the dog show!

Mrs Davies and Miss Cartmell

Chestnuts Class Update

Chestnuts have fully embraced our place value learning in maths this week. We have created human number lines to show where different values would sit, as well as rounding numbers to the nearest 10, 100, 1,000, 10,000 and beyond!

We have been finding similes and metaphors in our reading and then writing our own as part of our Talk for Writing.

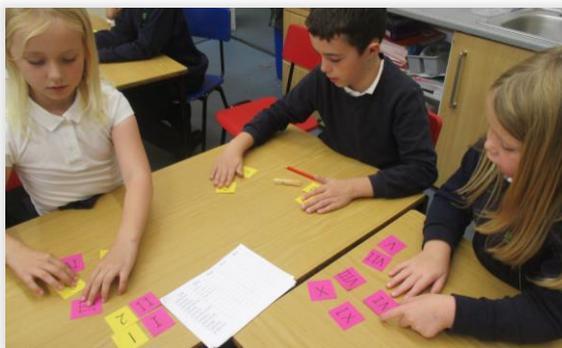

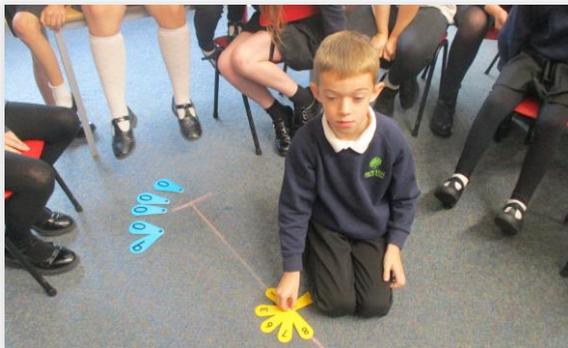

As you know, everyone now has their own ukulele which they have brought home to practise – thank you for your support with this.

It's fantastic that more children are reading at home now – please continue to acknowledge that your child has read in their reading record. Thank you.

Lots of children have been talking about whether they have seen the moon each night, showing huge enthusiasm for our earth and space topic!

Have a lovely weekend!

Mrs Gilman

SEN Corner

For new and existing parents and carers I think it is important that at the beginning of the year I highlight that all teachers at Boyton Primary are teachers of SEN. We are collectively responsible for ensuring each child has a first quality education that is appropriate for their learning needs.

If you have concerns regarding your child please go to your child's class teacher first they will support you or will direct you to myself. I am Sam Brooks the Special Educational Needs Coordinator at Boyton.

At the beginning of the year it is also important to direct you to our school website which under the 'Key information' tab has a SEND page with all of our current documents.

My contact details are sbrooks@boyton.cornwall.sch.uk

The deadline for applications is **15 January 2024**

Do you have a child born **between 1 September 2019 and 31 August 2020?**

If so, you will need to apply for a place in a reception class in September 2024 for that child by the deadline of **15 January 2024**.

Please note: you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

Visit www.cornwall.gov.uk/admissions for more information and to access the online application system
