Boyton Primary School Newsletter

Friday 15th September 2023

Dear Parents,

We've had another great week. The children are really settling into their new routines and it's been great to be involved in some super hooks for our new Talk for Writing texts. Many thanks to Sami for bringing in some hens, to inspire our learning of the story, 'The Little Red Hen'. Chestnuts also demonstrated wonderful inventiveness with bags of random nuts, bolts, wire and metal – inspiring the story, 'The Iron man'. I can't wait to see the writing that comes from this!

Another highlight of the week has been **Bikeability**. Shaun was incredibly complimentary of the children and it was fantastic seeing their confidence and skill grow over the sessions. We will be marking 'Cycle to School Week' which is taking place from 25th to 29th September 2023. There will be more information to follow.

Sweet strumming was also heard from Chestnuts Class on Wednesday as Mr Harrison led his first session of 'ukulele tuition!' I would be very happy to look into the opportunity of having some peripatetic music teachers if this is something that you may be interested in for your child. Please have a chat if this is something that you would like me to pursue!

Homework – we have agreed that homework will be sent home on a Tuesday and spellings tested the following Monday. Please can children ensure homework books are in school for this. Thank you.

Clubs - We have decided to open the 'Wild tribe' club on a Thursday to Chestnuts class too – unfortunately, 12 is the maximum number for each half term.

We're looking forward to the **Dog Show** next Sunday! Many thanks again to the PTA for organizing this event! Please read on for more information and ways in which you may be able to contribute or enter!

Finally, as always, please don't hesitate to get in touch if you should any worries or concerns. Have a lovely weekend!

SEN Corner

Welcome back to the Autumn Term! I hope you all had a great summer and found some sunshine.

For new and existing parents and carers I think it is important that at the beginning of the year I highlight that all teachers at Boyton Primary are teachers of SEN. We are collectively responsible for ensuring each child has a first quality education that is appropriate for their learning needs.

If you have concerns regarding your child please go to your child's class teacher first they will support you or will direct you to myself. I am Sam Brooks the Special Educational Needs Coordinator at Boyton.

At the beginning of the year it is also important to direct you to our school website which under the 'Key information' tab has a SEND page with all of our current documents.

My contact details are sbrooks@boyton.cornwall.sch.uk

HOW DOES THE FREE DELIVERY INTO SCHOOL WORK?

Please note the quickest delivery will be to pay the delivery cost (for orders under the value of £70). Orders over the value of £70 come with free delivery.

We can offer free delivery into school for on-line parent/guardian orders. We will schedule one delivery a month in term time only into the school. If a parent/guardian wishes to use this service, they will be offered the first scheduled delivery date, based on when their order will be complete.

I hope the following example information helps to explain why the lead times are longer for the free delivery option:

EXAMPLE

Delivery Date	Cut Off Date
24/01/2023	09/01/2023
21/02/2023	31/01/2023
21/03/2023	28/02/2023
25/04/2023	04/03/2023

20/06/2023	30/05/2023
11/07/2023	20/06/2023

Orders placed up to the day before the cut-off date, and if the stock is available means their order should be delivered into school on the next stated delivery date. However each order could be affected differently, if a parent/guardian needed any clarification please encourage them to phone us to discuss their individual order.

Acorn & Birch Class Update

We've had a super week! We've started phonics again and it's been great seeing some of our youngest children beginning to learn to read and write sounds. Thank you so much for all of your support in reading with your child – it's so beneficial!

We've also started learning 'The Little Red Hen' as our Talk for Writing text. It's been great seeing the children memorise the text and retell it with such enthusiasm and expression! In Maths, the Year 2s have been developing their understanding of place value. I've been really impressed with their ability to make two digit numbers using different methods. The Reception children and Year 1s have been investigating different ways to sort groups of objects.

Yesterday we also really enjoyed having Amy in who will be delivering one of our weekly PE sessions. It was great to see all participating so enthusiastically!

As always, if you have any questions about your child's learning for this year, please get in touch!
Have a lovely weekend!
Mrs Davies

Chestnuts Class Update

Wow! What a fun-filled first whole week of learning we have had! We started the week off with our hook into our Talk for Writing text, The Iron Man. Everyone made their own metal creation, ranging from rabbits and dogs to showers and cars!

Our maths learning took us outside, where we made a human place value chart, making numbers over one million!

We have started learning about space in science, something that everyone has shown a great interest in, asking lots of questions that we'll hopefully find the answers to!

As you know, everyone has the chance to bring a ukulele home after next week's music lesson with Mr. Harrison – please ensure that you complete and return the permission slip for this to happen. We are all very excited about this amazing opportunity!

We have noticed that lots of children are now reading at home again, which is amazing; thank you for your support with this. Please could you make a note that your child has read at home in their reading record – just a signature will be fine if they write the comment themselves – and ensure that they bring their reading records into school every day. Thank you.

Have a lovely weekend!
Mrs Gilman

Online Safety

Tips to help children stay safe on social media

Review the location settings - Remind them, and explain why, they shouldn't share location on posts, or public forums and chats, videos or with people they don't know. Review the location settings on their favourite app or game and talk to them about what they're sharing online.

Sometimes it might be appropriate for your child to share their location with a trusted adult or friend. For example, if they're travelling home alone or arranging to meet a group of friends outside school, then it can be a good way to help keep them safe.

Remember: If children share their location publicly, it could be seen by someone they don't know.

This can increase the risk of cyberbullying, stalking or unwanted contact (from friends or others) or becoming a target.

Get to know the safety and privacy settings - Explore the safety and privacy settings on any app, to decide which are right to use for your child. Each app has slightly different ways to set up an account, but most have the option to set an account to private, to not allow friend requests, and to hide the user's location. Explain these settings to your child and the reasons for having them in place.

Age ratings and features - Get to know the age ratings of the apps that your child uses. Many have a minimum age of 13 years old to be able to sign up, but you should check the age rating of individual apps to make sure.

Don't forget that you know your child best, and you might decide that they need to be a little bit older before it's suitable for them.

Do you have a child born **between 1 September 2019 and 31 August 2020?**

If so, you will need to apply for a place in a reception class in September 2024 for that child by the deadline of **15 January 2024**.

The deadline for applications is **15 January 2024**

Please note: you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
