| Tel: 01566 772484

Dear Parents,

What a super week we've had! We've been really impressed with the quality of the published pieces of writing written by all children – inspired by the book 'The Midnight Panther'. It's been fantastic seeing their enthusiasm for writing and confidence in using the skills taught. Well done!

We had a fantastic visit by the Mobile children's library on Wednesday. All children loved the opportunity to choose a book of their own choice to supplement our school library. We will continue to encourage children to change their free readers each week.

We are enjoying seeing more of Mr P. He's becoming a very familiar face at school and we are very excited about the opportunities that this will bring for our children. The first event is **Launceston Carnival on Saturday 12th October 2024**. Hopefully, all children should have received a letter about it. If you haven't received one, please let me know.

Just a reminder, on **Wednesday 9th October, 9:00am** we will be celebrating our **Harvest Festival**. All are welcome to come and celebrate with us – hopefully outside, if the weather is kind! We will be collecting donations for the Foodbank once again.

Term time holidays – as you are aware, the Government has recently given all schools across England revised regulations regarding unauthorized absence/ term-time holidays. In line with this, we will be following the same procedures, including penalty notices.

As always, if you should have any worries or concerns, please don't hesitate to get in touch. We wish you a very lovely weekend.

Best wishes

Mrs Davies kdavies@andaras.org

Acorn/Birch Class Update

Acorns and Birch class have had another busy week of learning! This week we have looked at lots of toys, some old and some new. We had to place the toys on a time-line and decide in which decade they could have been played with!

We were also very lucky to be able to visit a library van, where we looked at a wide selection of books and chose some books for our classroom.

Acorns made an amazing bus outside using loose parts after reading *The Naughty Bus*. Everyone had a great time marching with Mr Harrison, following a steady rhythm in music.

Please remember to choose a reading book to share with your child at home at any time!

If you have any questions or concerns, please let me know!

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

In English this week, the children have started looking at a new text called the 'Matchbox Diary', which will inspire the children to think about the main themes and use ideas and pictures to help with their own writing. The children have used freeze frames and drama to help show feelings and emotions. Please can children bring in their precious items, that can fit into a match box by Wednesday next week.

In Maths this week, the children have looked at how to add and subtract integers by using the column method accurately. In Yr 3/4 the children have learnt about rounding to the nearest 10, 100 and 1,000. Children have used mathematical language to explain the knowledge needed to solve the questions.

During P.E this week, the children have developed their ball handling skills in both netball and rugby. There has been a specific focus on attacking and defending skills and making good tactical moves.

In Science this week, the Yr 3/4 pupils designed a bionic hand, which they will be making next week. Whereas, the Yr5/6 have learnt about the eye and how it functions – learning amazing facts too!

What Parents & Carers Need to Know about

ROBLOX

Roblox is one of the most popular video games on the market. By 2020, the game's makers were claiming that more than half of children in the USA play it. As a 'sandbox' title, Roblox offers a huge amount of creative freedom: it lets players create their own gaming experiences with the Roblox Studio to build custom levels and games, which can then be shared with other players online. Roblox fosters creative thinking and enjoys a robust online community of fans.

WHAT ARE THE RISKS?

CONTACT WITH STRANGERS

Roblox encourages players to communicate online (including a group chat facility). This could expose children to risks such as scammers, online predators, harassment, griefers and more. The in-game chat has some filters, but isn't perfect: players can still send harmful messages to others – such as scam links or general hostility – while predators can reach out to children directly.

PUBLIC SERVERS

Roblox has private or VIP servers which allow people to play exclusively with their friends, but this costs money. Most Roblox players will instead be on public servers that anyone can join. Servers can host games which focus on all kinds of aspects, including direct player interaction. Some games and servers, therefore, will put children more at risk of contact from strangers than others.

ONLINE DATERS

These are also called 'Oders' and are quite common in Roblox. An Oder is an individual who joins a game with the intention of finding someone to date online – and eventually meet in person. Such online dating is against the Roblox community guidelines, but this usually doesn't deter Oders, some players – but Roblox game worlds have even been designed with online dating specifically in mind.

IN-APP PURCHASES

Roblox is actually free to download and play, but bear in mind that there are some hidden costs. Players are encouraged to make purchases in the game, for example, using real money. People can also buy extra Robux (the in-game currency) to spend on cosmetic items in the game, while it's possible to purchase a private or VIP server.

REGISTRATION

Advice for Parents & Carers

SET PARENTAL CONTROLS

Roblox comes with several parental control options, which are explained well on the game's official website. It's essential to enter the correct date of birth for your child, as that allows Roblox to automatically apply the appropriate chat filters. The game also allows parents and carers to set monthly spending restrictions and monitor their child's account.

DISABLE PRIVATE MESSAGING

Roblox's private messaging function raises the risk of children being contacted by people they may not want to speak with – potentially leading to bullying, harassment, toxicity and scam attempts. The game allows you to disable messages from anyone who hasn't been added as a friend on your child's account.

PRIVATE SERVERS

If your child has some genuine friends to play Roblox online with, paying for a private or VIP server decreases the risk of contact from strangers. Even then, however, some players could invite other people – who might not necessarily be child friendly – into the private server. If your child is a Roblox fan, it's important to talk with them regularly about who they are playing the game with.

MONITOR SPENDING

If they don't understand they're using real money, it's easy for children to accidentally spend a sizeable amount in the game. Using parental controls to place limits on their spending will help avoid any nasty financial surprises. Ensuring that you have two-factor authentication on your payment accounts also makes it harder for your child to spend money inadvertently.

DEALING WITH STRANGERS

At some point in their development, your child will need to learn how to deal with strangers online. Show them how to block and report any users who are upsetting them or asking uncomfortable questions. Talking to them about what's OK to discuss – and what they should never tell a stranger online – will help them understand how to communicate with other people online safely.
