| Tel: 01566 772484

Dear Parents,

The end of term is rapidly approaching!! Thank you so much for the beautiful Christmas decorations that the children have made! Our tree looks beautiful!

Thank you also to all who were able to join us for Launceston Light Switch on last Friday! It was a super opportunity for our children to sing with friends from Werrington and North Petherwin. They did a great job- despite the rain!

Don't forget also to pop into St Mary Magdalene's church to see the Christmas tree festival and our tree! It looks beautiful! Also, we have the PTA Bingo this evening! We look forward to seeing you in the village hall – 6.30pm for a 7pm start.

This week, we've had another visit from Mr Swait, who undertook a deep dive in Maths. Through discussion with myself, lesson visits, book looks and pupil conferencing, he was really impressed with what he saw and pupils confidence in talking their learning.

On Wednesday, Acorns and Birch had a fantastic time at the Sustainability/ Woodland Skill Centre. I know they are already looking forward to their next visit, next Wednesday.

We've got some exciting things coming up:

Monday 9th Dec – Year 6s have the opportunity to visit Launceston Collage (11.45- 1.45pm) Do get in touch if you require any additional information.

Tuesday 10th Dec – dress rehearsal at the church. Please drop children there for 9am. We will then walk back to school. Christmas Carol Concert at 6.30pm in Boyton Parish Church – all are welcome!

Wednesday 11th Dec – Acorn/Birch children visit the Woodland Skill Centre again

Thursday 12th Dec – Whole school trip to the Pantomime! (late return – about 5.30pm)

As always, if you should have any concerns or queries, please don't hesitate to get in touch.
Have a lovely weekend.

Best wishes

Mrs Davies kdavies@andaras.org

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

After School Clubs Autumn Term 2024:

WB 9th December

Monday

Mountain Biking Club - Caja

Tuesday

Film club - Miss Kinver **(Not on due to Carol Concert)**

Thursday

Board game club – Mrs Davies **(Not on due to trip to pantomime)**

NB No clubs in the final week of school

Acorn/Birch Class Update

The highlight of this week's learning has most definitely been our visit to the Woodland Skills Centre! We had a fantastic day learning about wolves and creating our own wooden wolf howlers and Christmas tree decorations. We are looking forward to our second visit next Wednesday!

In maths, Acorns have been securing their understanding of numbers up to five and Birch have been counting faces, edges and vertices on 3D shapes.

In English, Birch have been enjoying reading Billy and the Beast and have been using adjectives to describe Billy's character. Acorns have been reading the poem, The Christmas Pine, and built a giant Christmas tree outside with crates – great imagination!

In Geography, everyone has been learning about why polar bears don't live in Antarctica and Birch have been ordering the food chain of polar bears.

We have been looking very closely at insects during science, making detailed, accurate drawings of them.

If you have any questions or concerns about anything, please let me know.

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

In English this week, we have read 'The Selfish Giant', where he built a wall around his garden so the children couldn't play in it. This led to writing diary entries and letters describing the Giant's feelings as the Wind, Hail and Rain stayed all winter long and didn't allow Spring or Summer to make an appearance.

During our Maths learning this week, the Yr 3/4 children have counted in squares and compared area. Whereas the Yr 5/6 children, have learnt how to use short division. They started off looking at how to divide the multiples, then moved onto dividing with remainders.

In Science this week, the Yr 3/4 children set up an experiment with eggs and different liquids – to see how your teeth can be affected by decay – we look forward to exploring the results next week. On the other hand, Yr 5/6 children designed an electrical quiz board game, that is going to be made next week.

In PSHE, the children learnt about discrimination, where they used the Rosa Parks story to highlight what people went through. They also looked at a range of people from different backgrounds and identified similarities and differences between them.

Digiduck says...

'Be a good friend online,'

'Say kind things to others,'

Brilliant photo!

'Can you help me?'

'and make sensible choices.'

Smartie the Penguin

If anything happens online that makes **Smartie the Penguin** feel worried, upset or confused, he doesn't try to fix things by himself ...

Mummy! Daddy!
Please help me ...

Hi!

Always ask an adult for help!

He stops ...

Thinks about what to do ...

And always asks an adult for help!
