Dear parents,
What a super final week! Our Year 6s have had a great transition at both Bude and Launceston Colleges – it's been great to hear about their experiences.

Huge thanks to all the staff for making the school camps this week such a success. We were so proud of the children for their enthusiasm – for several, it was their first time either staying away from home or camping – such an achievement!

Acorns and Birch children had a great day on Tuesday with their 'Superhero Day!' We were really impressed with the Nursery children who joined them for the morning as part of their transition. We're looking forward to seeing more of them in September!

Next week, we have our leaver's celebration from 9am on the last day; Wednesday 23rd July, followed by a special assembly on the field - weather permitting! This is always a sad one to say goodbye but exciting as a new door opens.

This year has certainly been another busy one with some significant events! Thank you all for your continued support and enthusiasm. On behalf of all, we wish you a very well deserved relaxing and restful summer break.

Best wishes,
Mrs Davies kdavies@andaras.org

Catkins Update

Hello everyone!

A busy day in Catkins today. As it is our last Catkins week of the school year, we learned about celebrations, ready for our own graduation celebration this afternoon! We started some graduation crowns this morning, ready for them to be finished off with our grown-ups help at our parent event this afternoon. The children loved making these, along with some thank you plates and decorated biscuits to say thank you to their grown-ups for coming to help! Thank you so much to all the adults for coming along and making our celebration a success.

On behalf of myself and the Catkins team, we would like to wish you a safe and happy Summer and look forward to seeing you for the start of the Autumn term. Well done children and thank you! - Mrs Lawton, Mrs Gubbin and Mrs Billing.

Acorn/Birch Class Update

What a busy week we have had! The first great adventure was on Monday when we visited the Cornwall Gymnastics Company – everyone did so well and tried a variety of gymnastics, from the high bars to the balancing beams. Some amazing gymnasts in the making! On Monday night we had some very brave year 1s and 2s who spent the evening joining in with our camp activities and games, resulting in two of our year 1s camping out for the whole night! All of Acorns and Birch children then took part in Tuesday's Superhero day with Caja, where they got to think about a real-life superhero and what that person means to them. They also used the climbing frames in the school hall to show off their superhero poses and flights! Our maths learning this week has focused on capacity and everyone explored how much water it would take to fill different sized containers. Acorns counted in cups and Birch measured in millilitres. To finish off our DT for this half term, the children designed their own structure and then built it using junk modelling materials. There were some fantastic creations!

Please let me know if you have any questions about anything.
Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

What a great start to the week we had at The Cornwall Gymnastic Centre, where the children spent the day practising skills such as balancing, co-ordination and strength. The children had the opportunity to use the balance beams, high bars and the trampoline runaway. The smiles said it all as all the children had a great time.

The children created some amazing watercolour artwork, which was inspired by the guided reading book – 'Annie Lumsden the girl of the sea' where they looked at the original illustrations from the book as a starting point.

The children were giving a range of challenges this week, which promoted teamwork, communications and problem- solving skills. One task was to build the tallest tower or most creative creations out of paper and masking tape, which was great to see the children improving their designs and making adjustments. We even had one pupil, who decided against the tape all together and produced a great tower.

We had a brilliant camp and luckily the weather held out. The children made their own pizzas, sat around a campfire and played lots of games – one of the favourites being hide and seek in the dark. Have a lovely weekend!
