Dear Parents/carers,

We've had a truly fantastic beginning to the year and we couldn't be prouder of our wonderful children. Their enthusiasm, positive attitudes, and eagerness to learn have been shining through in every classroom! A special shout-out to our new Reception children (and other new starters) who have settled in beautifully — some have even joined clubs in their very first week! What a confident start! Our new Year 6 cohort have also made a superb impression, showing great maturity and already proving themselves to be excellent role models.

Bikeability Success! This week, our Year 5/6 pupils completed their Bikeability training. You may have spotted them cycling around Boyton, practicing their skills. Their coach was full of praise for their manners and cycling ability — well done, everyone!

Outdoor Adventures We also enjoyed a brilliant trip to the AnDaras Outdoor Learning and Sustainability Centre. The children embraced every opportunity — from using drills to make wooden pendants to cooking popcorn over an open fire! It was a joy to see them so engaged, and we're sure they slept soundly that night!

Help Us Grow!

We're on a mission to boost our school numbers and need your help. Please continue to share our posts with friends and family, far and wide, and let us know if anyone would like to visit — we'd be delighted to welcome them. We are proud of what we have to offer.

Forest School Fridays

Every Friday from 1.30pm, Mrs Lawton is running a free 'Forest School Friday' session for parents, grandparents, and young children. It's a lovely way to explore nature together — all are welcome!

Re-kindling Our PTA

We're hoping to re-establish our wonderful PTA to help support the school/ children particularly when school budgets are so tight. In the past, amongst numerous things, the PTA have funded; a whole school pantomime trip, Year 6 leavers' hoodies, curriculum resources, atlases/ dictionaries, etc etc! A meeting date will be shared soon, and we'd love to see as many of you there as possible — whether you're just curious or keen to get involved! Thank you!

As always, if you have any questions, concerns, or ideas, please don't hesitate to become in touch. Wishing you all a lovely weekend!

Best wishes,

Mrs Davies kdavies@andaras.org

Catkins Update

Hello everyone!

A great couple of very busy days in Catkins! We are continuing learning about ourselves, our favourite things and celebrating our similarities and differences. We have talked about our senses and why they are so important, and we are having lots of practice counting and ordering our numbers!

Thank you for all your hard work.

Have a wonderful weekend!

Warm wishes – Mrs Lawton and Mrs Gubbin.

Acorn/Birch Class Update

What a fantastic first full week back we have had! I would like to welcome the new members of our class and have been so impressed with how quickly they have settled into the routines of Acorns and Birch Class.

Our new reception children have been learning their first set 2 sounds in phonics and have enjoyed reading *The Colour Monster* in Drawing Club. Birch children have been focusing on our new book, *Grandad's Camper* and have been finding adjectives to describe Grandad's memories and using commas in a list. In maths, Acorns have been subitising up to 3 and counting up to 10. Birch have been counting up to and back from 100 in ones and tens and subitizing up to 5.

We all enjoyed our visit to the Sustainability Centre on Wednesday where we learnt all about the four things that are essential for survival. We made wooden medallions, stinging nettle syrup and lit our own fires to cook our nettle leaves.

In PE, we have been learning to reach a target with a ball by having control in the way we roll it.

We also had a great first music lesson with Mr Harrison!

Please let me know if you have any questions about anything.

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

During our English this week, we have started exploring a new book 'The Seed of Doubt' and have used this as inspiration to think about our own dreams and aspirations. The children then wrote poems, which included figurative language about the tree of hope.

In Maths this week, the children have covered some key concepts including bar models, part whole models and place value. The year 3/4 children have had a focus on how to add three numbers, whereas the year 5/6 children have learnt how to show bar models with different number sentences. We have had a brilliant week with children from years 4,5 and 6 completing Bikeability, where they were taught how to ride safely on the roads and how to maintain their bikes. The instructor commented on how focused and polite the children were.

We had our first visit to the Woodland Skill centre, where the children had a fantastic day. They participated in a range of activities such as orienteering, collecting and eating nettles, making fires, drilling through wood. It was lovely to see the children so engaged and working alongside a range of years.

Hope you have a great weekend!
