Dear parents,
What a great fortnight we have had! Amongst other things, our Year 5s and 6s had a super 'Adventure Day' last week at Launceston College and it was great to see the children's enthusiasm for the library van this week!

There has also been lots of great learning happening in both classes. We have been very impressed hearing our Year twos chat about 'addends' with confidence and understanding in Maths. Chestnuts have also been grappling with challenges involving perimeter this week – great stuff!

The exciting is building as preparation for our Christmas play is underway! Thank you so much for helping your child learn their lines. Next week, we will send home information about costumes. (if anyone is a whizz on a sewing machine, has some spare time (!) and could knock out a few elf costumes, we'd be very grateful!

As it will get busy as we approach the end of term, I have attached a summary of the main events; dates/timings etc! We've got lots of lovely things to look forward to!

A huge thanks to the PTA for all they are doing – it's been lovely seeing the success of the Christmas jumper swap shop and don't forget, Bingo in the village hall on Friday 12th December. (Any raffle prize donations would be gratefully received)

This year, we're planning the return of our Christmas workshops. Do come and join us for some Christmas crafting with your children on Tuesday 9th December! We're also looking forward to Catkins' Christmas Nativity - for family and friends on 18th December, at 2pm. (Nursery and Reception children will be performing in this!

Finally, this evening, we will be joining North Petherwin and Werrington schools to perform on the stage in Launceston town centre for the 'Lights Switch on!' We are performing at 4.30pm. All children are welcome, accompanied by their parents.

We also have a Christmas tree at the St Mary's Church Christmas Tree festival, if you are in Launceston and fancy popping in to visit. (The children have done some wonderful decorations to help promote the school!)

As always, please don't hesitate to get in touch if you have any queries or concerns.

Wishing you a very lovely weekend,

Mrs Davies kdavies@andaras.org

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

Thursday – Lego Club – Mrs Davies

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

Parent Governor Vacancy Autumn 2025

We are inviting nominations for the position of Parent Governor at the Boyton, North Petherwin & Werrington Local Governing Board Hub. All 3 schools are part of the same Local Governing Body.

Parent governors play an important role as members of the governing board, which is responsible for ensuring school accountability, compliance and achievement. Governors offer support and challenge to the school's leadership team to ensure that high standards are strived for and maintained. Governors offer a variety of skills and experience, as well as time and commitment.

If you are interested, or know or someone who may enjoy the role, please do get in touch with Mrs Davies, Mr Phillpott or Shirley Si Ahmed (one of our current governors for more information.)

Catkins Update

Hello everyone!

This week, the children in Catkins have been playing with planets as they learned where our Seasons come from and that the planets in our solar system travel around the Sun.

We worked hard to build rockets to reach the far away planets and learned the names of planets in our solar system.

Our Nativity is coming together, with the children learning Jingle Bells, Away in a Manger and Twinkle, Twinkle Little Star to sing for you all on the 18th of December and making lots of glittery stars to decorate our 'stable.'

Thank you for all your hard work today, Catkins and a big Happy Birthday to our Luca for Monday!

Warm wishes – Mrs Lawton and Mrs Gubbin.

Acorn/Birch Class Update

It's been a busy couple of week of learning in Acorns and Birch Class! Acorns have been exploring ice and learning about the South Pole, after reading 'Lost and Found' and 'Penguin' during their Drawing Club sessions. Birch have been reading 'The Bear and the Piano' and have just started to plan their own version of the story.

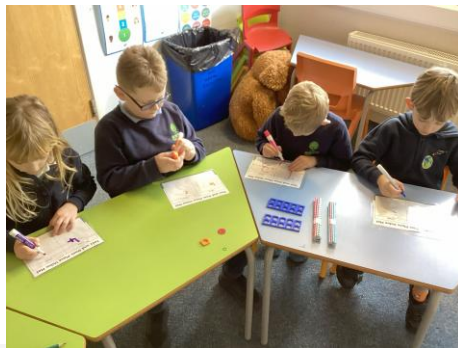

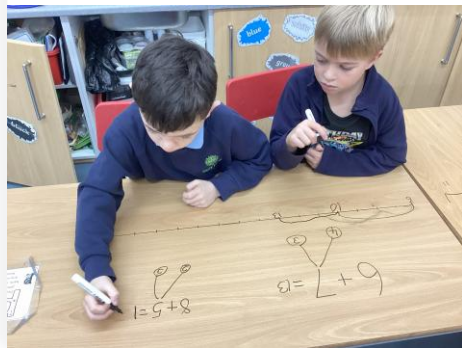

We've seen some fantastic maths learning this week — from recognising numerals to 5 in Acorns, to counting in tens in Year 1, and partitioning numbers to make number bonds to ten in Year 2!

We checked the results of our bread investigation in science this week and were amazed by what we discovered!

The children thoroughly enjoyed visiting the mobile library this week! They were so excited to borrow a book to bring home and share with you. We hope you've loved sharing their enthusiasm and discovering their chosen story together! Reading is one of the most important skills your child will develop, and those who read regularly with an adult at home make fantastic progress. Reading to your child is also a valuable part of their learning journey. Please add your initials to your child's reading record each time they read to you. Thank you so much for supporting this simple but powerful way to boost your child's learning across all areas.

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

During the English learning this week, the children have been inspired by a new story 'The Barnabus Project', which is a beautifully illustrated story. The children have used expanded noun phrases and fronted adverbials to add detail to their writing. Also, they have learnt how to punctuate speech accurately and have included adverbs in their sentences.

The children have started a new story for Guided Reading, which is a classic- 'The Lion the Witch and the Wardrobe', where the children have immersed themselves in the story and have started learning about the famous characters – Susan, Peter, Edmund and Lucy.

In Maths learning this week, the Yr 3/4 children have focused on adding and subtraction across 100 – using known facts to answer questions mentally. Whereas the Yr 5/6 children have learnt different methods to multiply 2-digit numbers by 2 or 3-digit numbers by an efficient method. They have also focused on how to complete short division.

During their Science learning this week, the Yr 3/4 children went on a mini bug hunt around the school grounds and identified the kind of habitats they lived in. The Yr 5/6 children have started learning about space and created their own solar system following a set of instructions. Hope you have a great weekend!

Fundraising for
Cornwall Air Ambulance

I had to share this beautiful story

Joyce returned to her war-time
evacuation home in Boyton and
reunited with a childhood friend to
celebrate her 90th birthday.

When she arrived all those years
ago, she was met by Bill Horrell,
the billing officer, and was
brought back to Boyton Post Office

where she made her home with Bill and Elizabeth Horrell and
their children Betty, Reg and Agnes.

After her arrival, Joyce attended Boyton Church Hall for school
where she was helped to integrate into this alien rural community,
before later moving into Boyton Primary School.

Finally, to round of the trip down memory lane, the pair paid a visit
to The Old Post Office where Joyce and Agnes lived together from
1930 to 1945, marking the occasion with one final picture.
