An Daras Trust
Igniting Curiosity Growing Capabilities

Boyton Primary School Newsletter

Friday 13th March, 2026

Email: boyton@andaras.org

Tel: 01566 772484

Dear parents,

We've had a super couple of weeks and I know all have thoroughly enjoyed their visits to the Education of Sustainability Centre. The focus this time has been on protecting endangered species – skylarks and long eared bats for example. The children have used a range of wood working skills to create bird whistles and bat boxes for the school grounds. We have been really impressed with their determination and persistence in mastering some new techniques.

Well done to those who have been coming to the Y6 Breakfast Club – this is a really relaxed, but targeted and effective way of preparing the children for their forthcoming SATs. All are welcome.

Next week, we have some super events coming up; a visit by the RNLI on Monday and the Y2,3 and 4s are going to the 'Farm and Country show' on Wednesday. (We would love an additional adult if you could help?) Please let school know.

The Y5/6s will be participating in the Minack Education team's Shakespeare workshop on Tuesday 24th March. We have decided to hold it at Werrington as their hall is much bigger! We would be very grateful, if children could be dropped and collected from Werrington Primary on that day. (Normal school hours). They will just need a packed lunch and water bottle please. Chestnuts are also going to the Davidstow World War 2 museum on the Wednesday...a busy week! As always, please don't hesitate to get in touch if you have any worries or concerns.

Wishing you a lovely weekend!

Warm regards, Mrs Davies kdavies@andaras.org

Useful Information

Safeguarding

- All children have a right to be safe, no matter who they are or what their circumstances.
- Keeping children safe is everyone's responsibility.
- If you are concerned about a child, please speak to one of the Designated safeguarding Leads. If a child is in immediate danger contact the police on 999.

Katherine Davies
Safeguarding Lead

Jane Gilman
Deputy Safeguarding Lead

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

boyton@andaras.org

After School Clubs

Monday – Sports Club (Year 1 – Year 6)

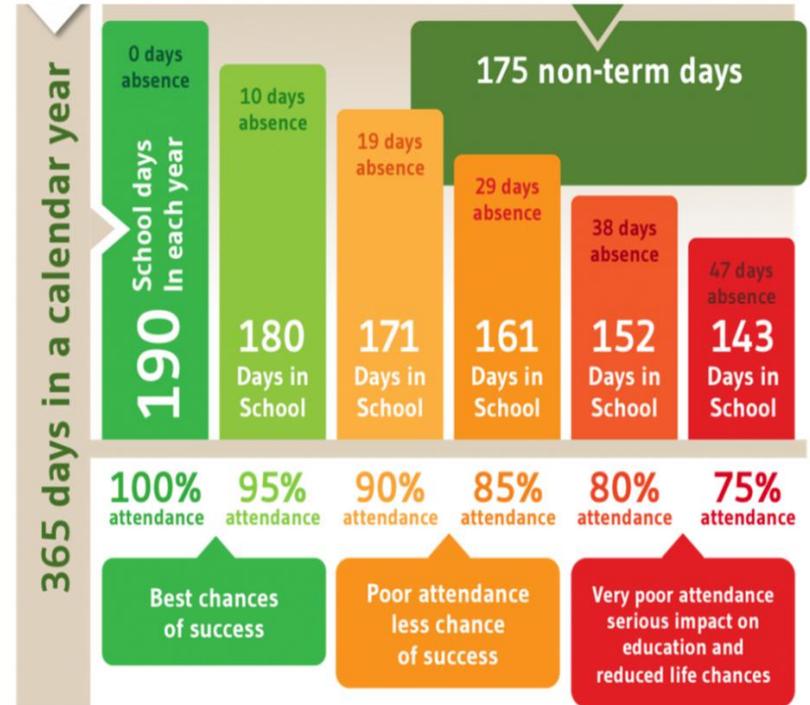

Tuesday - Film club - Miss Kinver (Reception to Year 6)

Thursday – Lego Club– Mrs Davies

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

6 top tips: how to support your children to use AI safely

1) Talk about where AI is being used A good place to start is by having open conversations with your child about where they are seeing AI tools and content online. This is an opportunity to talk about the risks and benefits they are experiencing.

2) Remind young people not everything is real You can remind them that not everything online is real and much of what we see may have been edited. AI is continually evolving but there can be common indicators to show something is AI generated but remember it is not always obvious. Some of these indicators can be an overall 'perfect' appearance, body parts or movements appearing differently or not looking 'true to life'.

3) Discuss misuse of generative AI It's important to address the misuse of generative AI to create harmful content in an age-appropriate way. Make sure that your child knows it's not OK for anyone to create content to harm other people.

If they ever experience this or are worried about someone doing it, then they can report that. If you are concerned about how someone is behaving towards a child online this can be reported to law enforcement agency CEOP.

If a sexual image or video has been created, this can be reported via Report Remove.

4) Remind them to check sources AI summaries and chatbots can be helpful tools to get quick answers to a question but it's important to know it's coming from a reliable source. Sources should be listed and will often have links so they can be checked. If the source is not listed or is not a reliable source, it's good to encourage them to check a trusted site for themselves.

5) Signpost to safe sources of health and wellbeing advice We know young people will use the internet to get advice and answers to questions which could mean they come across advice from an AI bot or summary. It's important they access safe information from reliable sources, so it can be helpful to make sure they know of child-friendly safe sites such as Childline.

6) Make sure they know where to go for help Ensure your child knows they can talk to you or another safe adult like a teacher if anything worries them online or offline. They can also contact Childline 24/7 on 0800 11 11 or via email or online chat, there are lots of ways they can get support.

Catkins Update

Catkins have been taking part in a secret mission today; to create special things for a special person in their life. We all thought about how our family grown-ups help us every single day and about all of the things that we couldn't do without them!

Our maths today looked at symmetrical patterns, and the children had fun matching numbers and colours on butterfly wings, everyone enjoyed this very much.

At snack-time, we all sang happy birthday to our Mrs Gubbin, whose birthday it was on Monday. We hope you had a lovely day and thank you for all your hard work and help that you give us in Catkins, we are all very grateful for your kindness and patience.

It was wild and windy yet again outside today, but we braved the elements to start an investigation into what might happen if we added chia seeds to some water. The children carefully mixed up their potion and hopefully the results will be out tomorrow.

We also built some water-ways with our huge pipes and bamboo. The rain fell and the wind howled, but it didn't deter the children from exploring and investigating in our outdoor provision.

Well-done Catkins.

Mrs Lawton and Mrs Gubbin

Acorn/Birch Class Update

What a great week we've had ! Stanley has been a great inspiration for our writing and the children have had some great imaginary ideas for the use of a stick!

We have been exploring where we live in our Geography lesson and searched our local area on Google Earth. We looked at where the UK is as part of the continent of Europe and learnt about the countries of the UK. Last week everyone had an amazing time at the Sustainability centre. Clare gave us so much information about endangered species of bats and we made brilliant Bat Boxes to bring back to school!

Along with the rest of the school we really enjoyed leaning how to plant seeds and loved the opportunity for some gardening to remind us that Spring is here!

Thank you PTA!

Have a lovely weekend

Mrs Gilman and Mrs Newbery

Chestnut Class Update

This week children have been focusing on a new text which is 'The Boy in the Tower'. In summary, the plants are destroying tower blocks and Ade is worried and anxious his block will be next. Through their writing, they have explored how to use relative clauses, adverbials and write in a formal tone.

In Maths this week, the yr 5/6 have focused on how to find missing percentages and which method is most efficient. Whereas the Yr 3/4 children have focused on adding and subtracting fractions with the same denominator. They have then used this knowledge to solve questions in a range of contexts.

In PSHE the children are now focusing on rights and respecting, and the Yr 3/4 children voted and discussed a range of things that they thought was a right as a child. The 5/6 children focused on how people's life is a mixture of positive and negative moments and can be very different what is posted online.

In P.E with the Arena Coach, they are completing the OAA unit, where the children have learnt how to read and orientate maps and the different directions. Have a lovely weekend!

Chapel members.

Launceston St Piran's Parade

2026

Launceston celebrates this day, March 5th, with a

Children's Parade where hundreds of local children parade through the streets and perform Cornish songs and dances. Led by the Mayor and Councillors of Launceston the parade winds its way through the medieval streets finishing in the castle grounds.

Later in the day, the 'big' people of Launceston, led by a Cornish piper and the Town Crier, process to the castle after which they whet their whistles in The Bell Inn, Launceston's oldest pub

Boyton Primary School

Over the February half term period the children were set the 'Twenty Twenty Six' challenge.

This involved each child raising £20.26, and more importantly doing it in the most imaginative ways.

The children rose to the challenge doing everything from selling eggs, sponsored silences and walks. Cake sales and guessing the number of sweets in a jar and plenty more besides!

An awesome £473.74

was raised and will go towards exciting projects at the school over the coming months.

Thank you to everyone who supported our fund-raising event

Keep an eye out for our next events
