Boyton Primary School Newsletter

Thursday 2nd April, 2026

Dear Parents and Carers,

Firstly, what a super week we've had. Many, many thanks to our fantastic PTA for a wonderful Easter trail yesterday. We've also had a lovely day making Easter gardens today! Thank you for all for the bits the children brought in!

We've had a fantastic term filled with some great learning and enrichment experiences! In addition to some super whole-school sessions at the Education of Sustainability Centre, we've also enjoyed a range of inspiring opportunities – with more planned!

Years 2, 3 and 4 had a brilliant day at the Farm and Country Show, learning all about where their food comes from. It was a very hands-on experience, and we were so impressed with the children's curiosity and engagement. Our Year 5/6 pupils also had a fantastic day with the Minack Theatre Education Team, exploring the themes from *The Tempest*. Their confidence grew enormously, and it was wonderful to see them embracing the activities so enthusiastically.

To further deepen their learning on the Battle of Britain (a recent history focus) Chestnut Class visited the Davidstow Airfield and Cornwall at War Museum – again, we were really impressed with the children's depth of knowledge and the thoughtful questions they asked.

After the Easter break, we head into another busy summer term! Acorns/Birch class are really looking forward to visiting the Dukes' farm to learn more about farming and caring for young animals. Catkins Class also have an exciting outdoor learning trip planned.

Our lovely Year 6s will also be sitting their KS2 SATs during the week beginning 11th May. Please ensure that all children are in school every day that week. Thank you.

As always, please don't hesitate to get in touch if you should have any queries or concerns.

Wishing you all a sunny and enjoyable Easter holiday!

Best wishes Mrs Davies kdavies@andaras.org

BBC iPlayer for Kids

Children under the age of 13 can have their own iPlayer profile, which includes content from CBBC, CBeebies and other suitable BBC programmes.

You can download the iPlayer app and then find out how to create a profile here:

<https://www.bbc.co.uk/iplayer/help/questions/about-the-childrens-experience/iplayer-child-experience>

Going on a long journey? The BBC have also compiled a list of shows and films as well as games and quizzes to make the journey go quicker:

Online Safety

Age ratings in games

Age ratings exist to help protect your child as they show whether content is suitable for your child's age. Make sure you check the age rating of any game your child is playing.

Why should I check?

Not all games will be appropriate for your child. Some may appear child friendly due to fun or cartoon style graphics but still include unsuitable content. Age ratings consider factors such as violence, frightening content, bad language and/or in app purchases.

Useful Information

Safeguarding

- All children have a right to be safe, no matter who they are or what their circumstances.
- Keeping children safe is everyone's responsibility.
- If you are concerned about a child, please speak to one of the Designated safeguarding Leads. If a child is in immediate danger contact the police on 999.

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy and Mrs Billing. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

Catkins Update

Today, Catkins have been learning about the Christian festival of Easter and the reason why it is celebrated. We talked about why we give and receive chocolate eggs as a symbol of new life and springtime. Our first job was a bit of Thursday baking with some chocolate cornflake nests, lots of careful measuring, mixing and recipe card writing was enjoyed by all!

Following on from our Rhyme-time, Phonics and Drawing Club routine, we enjoyed some time in our outdoor provision, a popular activity now being putting on a show on our little stage for a select audience! Lots of music, singing and behind the scenes activities were planned and performed.

This afternoon, we went up to the field to carefully plant 9 tiny saplings that we had been gifted. It was hard work digging the holes around our log circle, but we hope that if they grow big and strong, they will provide some good shelter for Forest School activities in the future.

Afterwards, we made some beautiful watercolour Easter egg paintings with wax crayons to create resistance on the paper. What a beautiful effect that made! We will send them home with the children when they're dry.

We hope you enjoy your chocolate nests (if they made it home in one piece!).

Well-done Catkins.

Mrs Lawton and Mrs Gubbin

Acorn/Birch Class Update

What a busy couple of weeks we've had in Acorns and Birch class! We have been investigating different materials in science to see if they float or sink and testing how waterproof they are. We have been sewing our bunting in DT after designing the pictures first. Acorns have been reading George and the Dragon in Drawing Club, using the small world area to retell the story. Birch have completed their final pieces of writing which were inspired by the story, Stanley's Stick.

We've enjoyed our music lessons with Mr. Harrison and have created our own rap beats to sing 'Grandma's Rap' to.

In Geography, we have been learning about where we live, finding where our nearest towns and cities are located and what our local area is used for.

We enjoyed the Easter Egg hunt yesterday and are looking forward to creating our Easter gardens today!

Have a lovely Easter break!

Mrs. Gilman

Chestnut Class Update

During English this week, the children have worked incredibly hard at creating their own stories, based on the book 'The Boy in the Tower'. The children have created their own characters, settings and story lines on how they have beaten the deadly vines and plants taking over their houses.

In Maths this week, the Yr 3/4 children have had a focus on money, where they have added, subtracted and have given change from a range of amounts. Whereas the Yr 5/6 children have had a focus on decimals and using the four operations accurately. The children have used their knowledge to problem solve and reason on using the best method.

In Science, the Yr 3/4 children have been learning about food chains and how energy is passed through producers, consumers and predators. The Yr 5/6 children have had a focus on how to look after your physical as well as their mental health.

In PSHE, the Yr 3/4 children have had a focus on how their voice can be heard and how different people can influence different situations. The Yr 5/6 children have learnt the importance of elections and had a go at presenting their ideas to the class. Have a lovely Easter Holiday!

Scam calls are on the increase....

advice to anyone who receives a call of this nature or any unexpected call from a company is to: -

- Do Not engage with the caller, hang up. If you need to contact your bank please wait at least 5-10 minutes for the line to clear before making a call, or clear the line by phoning a friend/family member, or make the call on a different phone to the one you were contacted on.

- Contact your Bank only on a number you know is genuine, such as those found on the rear of your bank card or on a statement or visit your local branch to discuss and seek advice

Talk to your friends and family about any call you receive and ask for their help and advice.

- If you have already given your bank details over the phone or handed your card details to a courier, call your bank straight away - you can reach most UK bank fraud departments by dialling 159.

- After you have contacted your bank, report to Report Fraud [UK's Home for Reporting Cyber Crime & Fraud - Report Fraud](#) or by calling 0300 123 2040 and report to you local police on 101 or via the website.
