Igniting Curiosity Growing Capabilities

Boyton Primary School

Boyton Primary School Newsletter

Friday 1st May, 2026

Dear Parents and Carers,

What a super start to the term we have had! We are incredibly proud of our Year 6 pupils, who have been working so hard — including attending breakfast club — as they prepare for their KS2 SATs. Their commitment and perseverance have been wonderful to see.

A huge thank you to Mrs Gubbins and the Duke family for so generously hosting trips for our Catkins and Acorns/Birch children. Linked to their learning about lifecycles, the Catkins children loved feeding the lambs and enjoyed some fantastic outdoor learning in the woods. Meanwhile, our Year 1 and 2 pupils have since taught me lots about where our milk comes from, agricultural machinery, and even peacocks!

Thank you also to Mrs Billing for teaching us how to felt using sheep's wool last week. The children have made a beautiful contribution to the Mossy Carpet, which we are extremely proud of. This stunning textile artwork is evolving as it travels from school to school in the trust. The project is based on the idea that small, collective actions can make a meaningful impact on climate change, and it is inspired by the history of Dartmoor and the vital role mosses play in environmental protection.

Thank you so much for your patience as we transition from Arbor to 'My child at school'. We appreciate there are some teething problems – please continue to chat to Mrs Basford if there are any ongoing issues. Our wonderful PTA have also organized a token donation at Tescos in Launceston. Please encourage friends and family to pop lots of tokens in our box! Thank you!

Polite Request

We have noticed that on PE days our uniform expectations are beginning to slip. Please can children continue to wear their school jumper along with black shorts or black/navy tracksuit bottoms. Thank you for your support.

We are in the process of confirming dates for the end of the summer term. I appreciate it's helpful to have these well in advance and will let you know as soon as possible.

As always, please don't hesitate to have a chat if you should have any concerns or queries.
Best wishes Mrs Davies kdavies@andaras.org

Mossy carpet making at Boyton!

Dates for Your Diary

4th May – Bank holiday (No school)

KS2 SATS Week Monday -11th – Thursday 14th May. (Please can all Year 6s be in school this week)

| Chestnut This Week | 98.3% |

BBC iPlayer for Kids

Children under the age of 13 can have their own iPlayer profile, which includes content from CBBC, CBeebies and other suitable BBC programmes.

You can download the iPlayer app and then find out how to create a profile here:

<https://www.bbc.co.uk/iplayer/help/questions/about-the-childrens-experience/iplayer-child-experience>

Going on a long journey? The BBC have also compiled a list of shows and films as well as games and quizzes to make the journey go quicker:

<https://www.bbc.co.uk/cbbc/watch/best-films-games-and-quizzes-to-keep-kids-entertained-on-long-journeys>

Online Safety

Age ratings in games

Age ratings exist to help protect your child as they show whether content is suitable for your child's age. Make sure you check the age rating of any game your child is playing.

Why should I check?

Not all games will be appropriate for your child. Some may appear child friendly due to fun or cartoon style graphics but still include unsuitable content. Age ratings consider factors such as violence, frightening content, bad language and/or in app purchases.

Useful Information

Safeguarding

- All children have a right to be safe, no matter who they are or what their circumstances.
- Keeping children safe is everyone's responsibility.
- If you are concerned about a child, please speak to one of the Designated safeguarding Leads. If a child is in immediate danger contact the police on 999.

Katherine Davies
Safeguarding Lead

Jane Gilman
Deputy Safeguarding Lead

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy and Mrs Billing. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

boyton@andaras.org

After School Clubs

Monday – Sports Club (Year 1 – Year 6)

Tuesday - Film club - Miss Kinver (Reception to Year 6)

Thursday – Lego Club– Mrs Davies

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

Catkins Update

Minibeast magic in Catkins today! Several of the children have expressed a real interest in the wildlife that we find in our garden, building bug hotels and observing the beetles wandering our outside area. So, we have had a mini mini-beast project so that we can begin to learn about the creatures we will find outside at this time of year.

Today, the children have thought about the structure of a beetle with it's 3 body segments and unusual body parts. They have sculpted beetles using a papier mache technique for our 'Spring' classroom display. Lovely.

Our huge minibeast mansion was extended again this afternoon to accommodate even more little members of our school community! Tomorrow, we will have an invertebrate hunt out in the field to discover habitats and learn more about how to care for our bug friends while learning how they live. Well-done Catkins.

Mrs Lawton and Mrs Gubbin

Acorn/Birch Class Update

Acorns and Birch have made a great start to the summer term! Birch have been inspired by the book 'Rosie Revere, Engineer' and have designed their own bridges and described a new gadget using technical vocabulary and adjectives. Acorns have enjoyed reading 'Jack and the Beanstalk' and 'Tad' in Drawing Club and have been writing their own sentences.

In PE, Birch have been developing their throwing and catching skills. I have been impressed with their recorder playing in Music with Mr. Harrison.

The highlight of this week has most definitely been our trip to the Duke's farm. We had a fantastic time there and learnt a lot about dairy farming and what the different machinery is used for on the farm! Thank you to all of the Dukes for making it a very special day!

Thank you to those of you who listen to your child read every day – this really does make a huge difference in all areas of their learning. Please make a quick note of any reading that they do at home in their Reading Record – thank you.

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

During English this week, the children have started reading the new text – 'The Ironman by Ted Hughs'. The children have started to read the text and understand the issues the Ironman is causing for the farming community. They have made predictions, written diary entries of how Hogarth felt about trapping the Ironman and using descriptive language.

In Maths this week, the Yr 3/4 children have learnt how to divide and multiple numbers by 10 and 100. They have used a range of resources to help show their understanding. Whereas the Yr 5/6 children have learnt how to use division and multiplication to find the values of different ratios. They have also understood the importance of scales in maps and drawings and how they can be used in real life.

In Science this week, the Yr 3/4 children have started learning about light and dark. They have investigated different materials that you can see through and how light is reflected. In Yr 5/6 the children have learnt about different forces and how to use Newton meters to measure the weight of objects.

It has been great seeing the children taking part In cricket and athletics. Have a great weekend!

Be aware of Fake Security Apps.

A widespread scam is tricking people into installing **fake security apps**. Scammers impersonate major email and tech providers to convince you that your account is at risk so they can steal your personal information. Scammers send urgent messages that look like they are from your email provider (e.g., Outlook, Gmail, iCloud, or Yahoo). These include:

Official-looking emails or texts warning of unauthorized logins. **Urgent pop-ups** saying things like, "Security Breach: Protect your account now!" These links lead to a **convincing fake website** designed to look like a legitimate login or security portal, where you are asked to perform a "security check." You are guided through a series of fake "security steps." At the end, you are prompted to **download and install a security app or certificate** to "fix" the issue. In reality, this app is malware designed to monitor your device.

It bypasses security: Because you are tricked into giving the app permission to install, your antivirus might not always block it. **Persistent spying:** Once installed, the app can monitor your keystrokes, read your messages, and access your contacts even after you close your browser.

Your email provider will never ask you to install a separate "security app" via a pop-up or a link in an email.

Red Flags to Watch For: Being asked to install software to "verify" your identity. Requests to share your real-time location or contact list. Prompts to enter your password on a site you didn't navigate to yourself.

Golden Rule: If you get a security alert, **close the message**. Instead of clicking the link, open a new browser tab and log in directly through the official website (e.g., mail.google.com or outlook.com) to check your account status.

Quick Tips Check the URL: Before typing your password, look at the address bar. If the website name looks slightly "off" (e.g., security-login-check.com instead of microsoft.com), leave immediately. **Use 2SV:** Enable Two-Step Verification. It's the single best way to stop a scammer even if they get your password. For more information on setting up 2SV please see here - [Setting up 2-Step Verification \(2SV\)](#) | National Cyber Security Centre

What to Do if You are a Victim
Report it: Visit - UK's Home for Reporting Cyber Crime & Fraud - Report Fraud or call 0300 123 2040.

Contact your bank: If you shared financial details, contact your bank's fraud department immediately by calling 159. **Report Phishing:** Forward suspicious emails to report@phishing.gov.uk and suspicious texts to 7726.

In partnership with Knowsley CLCs, all parent/carers are invited to an:

Online Safety Information Session

This session is delivered virtually so can be watched from anywhere!
We will share the link with you privately.

Guide to Social Media & Livestreaming - this will include latest trends and emerging threats and will focus on developing your understanding of social media and livestreaming, the associated risks and steps we can take to support our children.

Scam calls are on the increase....

advice to anyone who receives a call of this nature or any unexpected call from a company is to: -

- Do Not engage with the caller, hang up. If you need to contact your bank please wait at least 5-10 minutes for the line to clear before making a call, or clear the line by phoning a friend/family member, or make the call on a different phone to the one you were contacted on.

- Contact your Bank only on a number you know is genuine, such as those found on the rear of your bank card or on a statement or visit your local branch to discuss and seek advice

Talk to your friends and family about any call you receive and ask for their help and advice.

- If you have already given your bank details over the phone or handed your card details to a courier, call your bank straight away - you can reach most UK bank fraud departments by dialling 159.

- After you have contacted your bank, report to Report Fraud [UK's Home for Reporting Cyber Crime & Fraud - Report Fraud](#) or by calling 0300 123 2040 and report to you local police on 101 or via the website.
