Igniting Curiosity Growing Capabilities

Boyton Primary School

Boyton Primary School Newsletter

Friday 5th June, 2026

Dear Parents and Carers,

I hope you all had a wonderful half term break and were able to enjoy the glorious sunshine! We have had a fantastic first week back and are incredibly proud of the progress the children have made with their swimming. Over the four days, they have grown in confidence in the water and developed their swimming techniques brilliantly.

Well done to everyone – we are so pleased with their achievements!

Phonics Screening Check and Multiplication Check

At this time of year, our Year 1 children complete the **Phonics Screening Check** and our Year 4 pupils take part in the **Multiplication Tables Check**. These are both national assessments that all children undertake. The phonics check specifically assesses whether a child can decode words using their phonics skills. Children are asked to read a total of forty words—twenty 'real' words and twenty 'nonsense' words. The use of nonsense words ensures that children are applying their decoding skills rather than relying on memory! Evidence shows that the ability to decode words fluently is a crucial foundation for future reading success. Similarly, the multiplication check assesses both accuracy and speed in recalling times table facts. Having a rapid and secure recall of these facts is incredibly valuable, as it supports much of the mathematics children will encounter as they move through school, supporting their confidence and fluency in more complex calculations. We are very proud of our Y1s and 4s who have been working incredibly hard to develop their phonic and times table fluency!

Sports Day

We're hopeful about holding our Sports Day next week, weather permitting! Please bring some change with you as our amazing PTA will be selling drinks and ice creams!

School Camp (Wednesday 16th July) We are looking forward to our school camp again! Although, the children will be doing different activities, due to staffing, this year we will be camping altogether. I will share more information in a few weeks.

As always, please don't hesitate to speak to us if you have any concerns or queries. Wishing you a lovely weekend!

Best wishes, Mrs Davies kdavies@andaras.org

Dates for Your Diary

Sports Day (option 1) Wednesday 10th June

Sports Day (option 2)– if option 1 is too wet. Tuesday 16th June

Useful Information

Safeguarding

- All children have a right to be safe, no matter who they are or what their circumstances.
- Keeping children safe is everyone's responsibility.
- If you are concerned about a child, please speak to one of the Designated safeguarding Leads. If a child is in immediate danger contact the police on 999.

Katherine Davies
Safeguarding Lead

Jane Gilman
Deputy Safeguarding Lead

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy and Mrs Billing. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

After School Clubs

Monday – Sports Club (Year 1 – Year 6)

Tuesday - Film club - Miss Kinver (Reception to Year 6)

Thursday – Lego Club– Mrs Davies

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

Catkins Update

Hello!

Welcome back to the final half term in Catkins! We are starting our new topics all about Seasonal change, the seaside and Under the Sea this week.

Today, we talked about what we are all excited about for the summer and what we notice as we transition from spring into summer (even though it was blowing a gale and raining outside!). The children collaged a beautiful display poster as we discussed the changing seasons.

Maths focus was on making patterns and sorting groups and this will continue into tomorrow.

The children shared their favourite summer activities, and we talked about picnics, beaches and ice-cream with our families. Then we played outside where we used of the available rainwater to make patterns and potions.

Tomorrow afternoon, we will be practicing sports day activities ready for next Wednesday (weather permitting) and creating more summer lovelies for our classroom summertime display.

Mrs Gubbin and I are excited to see what amazing progress the children continue to make up to the summer holidays!

As always, if you have any questions, just come and talk to us,

Thanks everyone!

Mrs Lawton and Mrs Gubbin

Acorn/Birch Class Update

Acorns and Birch have a great first week back after the half-term break. As you know, we have been swimming every morning this week and it's been great to see how everyone has made progress over the four days. It was also lovely to see how the children have gained confidence in the water since last year's swimming week! Well done, everyone!

We have been finishing off our learning about the Great Fire of London this week and have enjoyed role-playing a person who lived in London in 1666! We talked about what we could see, hear, smell and feel and then acted out putting the great fire out! We also used a quill and ink to write a diary entry, just like Samuel Pepys would have done in September 1666.

Birch class have been practising throwing bean bags and balls into a target bucket in preparation for next week's Sports Day during our PE lesson yesterday, which proved to be harder than it looked!

As always, thank you for listening to your child read every day at home – this is so important for all of your child's learning.

Have a lovely weekend!

Mrs. Gilman

London's burning!

Chestnut Class Update

During English this week, we have started to look at a new text called 'Rumaysa', which is based on the traditional story of Rapunzel. The children have looked at different fairy tales and have written a persuasive piece making sure no one enters the woods, which have been cursed by the witch.

In Maths, this week we have had a focus on problem solving and the best way to tackle the problems. The children have worked in pairs and small groups to help share and compare ideas. In Science this week, the Yr 3/4 children focused on how the sun moves throughout the day and why the shadows move around the playground. Whereas the Yr 5/6 children investigated the effect of different surfaces and friction. They used ramps covered in different materials and measured the distance the cars travelled.

Well done to all of Chestnuts, who took part in swimming. They all made great progress and showed excellent listening skills and determination.

Have a lovely weekend!

Peter Pan comes to life this summer with a week of handmade theatre-making for ages 8–12.

Kalabash Arts, The Ladder, and The Writers' Block invite young performers to join us for a creative summer camp production filled with pirates, mermaids, adventure, and imagination.

Throughout the week, participants will:

- Create their own sets, props, and costumes
- Rehearse and perform in a handmade theatre production
- Explore drama, storytelling, and character creation
- Step into the magical world of Neverland

27–31 July at The Ladder, Clinton Road, Redruth, TR15 2QE

Monday–Friday, 10am–3pm with a family performance on Friday at 2pm

Booking deadline: 30 June. Tickets: £150 for whole week.

A wonderful introduction to the magic of theatre and collaborative creativity.

Artist: Natasha Kozaily

Educator: Kalabash Arts
