Boyton Primary School Newsletter

Friday 17th July, 2026

Dear Parents and Carers,

I can't believe how quickly the end of term has arrived. We have had a fantastic year, and it has been wonderful to see all of our children grow in confidence and flourish.

We have had another busy week! Thank you so much for your support in preparing the children for camp. There was a lovely sense of community as tents were put up and children organised their beds for the night. We were incredibly proud of everyone for showing such determination and resilience in giving it a go, especially those who managed to settle down and get some sleep!

Our Year 6 pupils have all had the opportunity to visit their new secondary schools now, and Mrs Gilman and I thoroughly enjoyed meeting our new classes on Tuesday. There are exciting times ahead for everyone as they prepare for the next stage of their journey.

On Thursday, the children also enjoyed an excellent Alternative Sports Day. We were delighted to see how confidently they applied their existing skills to a range of new sports, including lacrosse and other unfamiliar activities. Their enthusiasm, teamwork and willingness to try something different were wonderful to see.

A Few Reminders

Tuesday 21st July – Whole School Breakfast from 8:15am

Wednesday 22nd July – Year 6 Leavers' Day and whole school picnic lunch

Finally, we would like to wish our wonderful Year 6 pupils every success and happiness as they begin the next stage of their educational journey. They leave us with many fond memories, and we are incredibly proud of all they have achieved during their time at our school. We know they will embrace the opportunities ahead with confidence, resilience and enthusiasm.

We would also like to thank all of our families for your continued support throughout the year. We wish you all a happy, restful summer holiday and look forward to welcoming the children back to school on **Monday 7th September**.

Best wishes, Mrs Davies kdavies@andaras.org

Social media ban in the UK

On 15 June 2026, the [UK government announced](#) that major social media platforms will be banned from providing accounts to people under the age of 16. The new law is expected to come into force in spring 2027. Following this announcement, we will be updating our online safety advice pages as more detail on the new laws becomes available.

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy and Mrs Billing. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

Acorn/Birch Class Update

Acorns and Birch have had a great two weeks of learning and adventures!

Birch Class have been learning about direction and position in maths and have been directing their friends around the school using language such as left and right. Acorns have been reading 'Julian is a Mermaid' in Drawing Club and have taken their character on some creative adventures!

We had a great day with Arena for our Alternative Sports Days where we were able to try new sports such as Ultimate Frisbee, Orienteering, Lacrosse and Water Dodge Ball!

We have also made some bug hotels, inspired by 'Ash's Garden', a book that we were reading in Guided Reading.

The highlight of this week was most definitely the summer camp where we made our own pizzas to eat, performed a talent show, sat around the campfire, toasted marshmallows and then spent the night in our tents!

As always, thank you for listening to your child read every day at home – this is so important for all of your child's learning.

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

During English, we have been inspired by the book – 'Can we save the Tigers', where the author has outlined why Tigers are endangered and how we can save them. The children have then researched their own endangered animals and have written a persuasive speech, which they will share with the class. The children have included writing techniques such as imperative verbs, rhetorical questions and powerful language.

In Maths, we have had a focus on problem solving and critical thinking, where the children have worked independently, paired or small groups to try and find a range of solutions to problems. The children have shown great determination and perseverance – especially when their first method hasn't worked.

In Science, the Y3/4 children have completed their topic on sound by making their own telephones and understanding the different variables. Where as the Y5/6 children had a focus on pulleys and how great weights can be lifted easier with the help of pulleys.

It has been lovely hearing about all the children's transition days and how excited they are to start their new chapter.
Have a lovely weekend!

Why you must NEVER share a verification code

Most email and social media users now know that one of the best ways to keep your on-line accounts secure, is to set up **Two-Step Verification** (sometimes called Two Factor or Multi Factor Authentication). Scammers know this and are increasingly targeting people across Devon and Cornwall by tricking them into sharing their verification codes. Here's how to avoid falling for those tricks

1. Your verification code is YOUR final security barrier

A scammer may already have your password, maybe from a previous data breach, especially if you have used the same password across multiple on-line accounts (never do that). Or maybe by successfully guessing it using personal information they already have about you, perhaps from a CV you completed in the past.

If they have your password then often the only thing stopping them accessing your account is the verification code that normally gets sent to your mobile phone, particularly when a login attempt is detected from a new device or a new location.

❗ If you are tricked into sharing that code, you are letting a scammer in to your account

2. Always remember, real organisations will NEVER ask you for it

No legitimate bank, government department, organisation or employer / potential employer will ask you to share a verification code.

The code is **FOR YOUR EYES ONLY** and only for you to enter into a secure website or app. If someone asks for it by phone, text, or email, **IT IS A SCAM**.

They may claim it's to "verify your identity" or "process your application" — but in reality, they are trying to access your account

3. You could be instantly locked out of your account

If a scammer gets your verification code they could then:

Access your account Change your password Update your contact details

❗ This can lock you out of your account within second

The Golden Rule

Treat your verification code like your PIN or Password — it is FOR YOUR EYES ONLY If anyone asks for it, no matter how urgent or convincing they sound, the answer is always: **"NO"** **If you are the victim of Fraud or Cybercrime**

Report online to [UK's Home for Reporting Cyber Crime & Fraud - Report Fraud](#)
