Dear Parents and Carers,

We have had another busy and enjoyable week! On Monday, our Year 6 pupils attended an informative 'Anti-bullying, Online Safety and Digital Citizenship' workshop at Werrington, alongside Year 6 pupils from our hub schools. Our children were praised for their engagement and the confidence they showed when discussing their online presence.

Thank you also for your support and enthusiasm during Sports Day. As always, we were incredibly proud of the children for their energy, determination and positive attitudes. We certainly have some budding athletes in our school! A huge thank you to the PTA for organising the sale of drinks and ice creams for the children. There has already been excitement around the idea of 'Ice Cream Fridays' over the next few weeks at home time—more information to follow!

We were also very proud of our Year 6 pupils who presented at the Trust Environment and Literacy Festival on Friday. They had the opportunity to meet and work with the author Ellie Jackson, and we are excited to be planning a visit from her in the Autumn term so that all pupils can benefit from working with her.

We have some exciting things coming up over the next few weeks:

Friday 26th June – we have our 'Health and Well-being Day', led by Arena. Please can children wear PE kits for this.
Tuesday 30th June – Widemouth Bay beach day with Coads Green Primary School
Friday 3rd July – World Cup football event for KS2. This is no longer just a 'hub' event, but will be at St Stephens with other children from other schools in the Trust. Will share more information as soon as I receive it!

As always, please don't hesitate to get in touch if you should have any queries or concerns. Have a lovely weekend!
Best wishes, Mrs Davies kdavies@andaras.org

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

Catkins Update

Last week, the Catkins talked about all the exciting things that happen at the sea-side and the amazing activities we can do. The children wrote postcards to their families, sorted summer and winter clothes and did some dressing up ready for a trip to the beach!
This is our 'Under the Sea' week in Catkins! The children have been busy learning about lots of different living things that can only live in the water or that can only live on land.
We made some special things ready to take home for Sunday (on our underwater theme) to say thank you for all the amazing care our grown-ups at home give to us.
Next week is forecast to be hot and sunny again, so can we please have hats, suncream and water bottles in Catkins.

Thank you all and have a wonderful weekend – Mrs Lawton and Mrs Gubbin

Acorn/Birch Class Update

Acorns and Birch have another two weeks of great learning! After a successful Sports Day last week, Birch Class have been continuing athletics in PE, pacing themselves to run long distances.
In Drawing Club, Acorns have been reading Tiddler and using their knowledge of phonics to write their own sentences. Birch have been writing a 'Top Tips' leaflet, influenced by the book *Dadaji's Paintbrush*.
In Geography, we have been comparing our homes with those in Kampong Ayer and the children have enjoyed finding their houses on Google Earth!
We have been learning about wheels and axles in DT – this week, the children have been looking at ways to improve their wheels so that they work more effectively.
In science, we have planted beans in clear pots so that we can measure their growth over the next few weeks.
As always, thank you for listening to your child read every day at home – this is so important for all of your child's learning.

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

During English this week, the children have worked hard at using descriptive techniques such as fronted adverbials and adjectives to enhance their writing. They have been inspired by the book Rumaysa, who is trying to escape the tower and run away from the wicked witch.
In Maths this week, the Yr 3/4 children have focused on subtraction with re-grouping and how important it is to lay their workout correctly. Whereas the Yr 5/6 children have focused on how to divide 3 digits y 1 digit. They have then moved on to use this knowledge with problem solving and reasoning.
In Science, the Yr 3/4 children, have explored how sound makes vibrations and is carried through soundwave so we can hear. They have used a range of practical resources to help show this such as rice on a drum, elastic bands around chairs and coat hangers and string. The Yr 5/6 children have learnt about the importance of gears and how they are useful in real life. The children made a set of gears with cardboard and lolly pop sticks.
In PSHE this week, the children had a focus on compromise and used role play to show how they could sort out a conflict. Have a lovely weekend!
