Dear Parents and Carers,

Firstly, thank you so much for your support last week, when we experienced such challenges – no water and then the extreme heat! Thank goodness for cooler weather this week. We had a super trip to the beach, despite the rain coming in! We were joined by the children and staff from Coads Green Primary and spent the morning in groups undertaking smugglers/ pirates themed activities. As always, the children were a pleasure to take out.

Chestnuts also had a really informative afternoon yesterday with Ellie from Cornwall Climate Care. We learnt about 'climate change and coastal erosion.' As always, I was really impressed with the knowledgeable contributions made by all the children and their levels of engagement.

Next week, we're looking forward to our Y5/6 residential with our friends from Werrington and North Petherwin. Also, on Thursday, we are also welcoming both schools to Boyton to take part in our hub 'Football World Cup!' These experiences always provide a great opportunity to build new friendships, particularly in terms of the transition to Secondary soon.

A few forthcoming dates:

13th/14th July – Launceston College transition days. (We will give the Boyton children opportunity to spend time with their new teachers on the Tuesday too.)

15th July – whole school camp (more information to follow soon)

16th July – Whole School Alternative Sports Day (This is for the children – parents not needed!)

I can't believe how quickly the end of term is approaching – it's a very busy time!

As always, please don't hesitate to get in touch if you should have any queries or concerns. Have a lovely weekend!

Best wishes, Mrs Davies kdavies@andaras.orgbusy

Social media ban in the UK

On 15 June 2026, the [UK government announced](#) that major social media platforms will be banned from providing accounts to people under the age of 16. The new law is expected to come into force in spring 2027. Following this announcement, we will be updating our online safety advice pages as more detail on the new laws becomes available.

School Clubs

Breakfast Club:

At Boyton, we are really lucky to have a fantastic Breakfast Club run by Tracy and Mrs Billing. Children can be dropped off from 8.15am and have a choice of breakfasts including cereals, toast, etc. It costs £2 a session. If you would like to book your child in, please let Mrs Basford in the school office know.

Attendance / Holidays during termtime

We have been really impressed with children's efforts in being punctual and in school! However, we are obliged to remind you that, if your child is absent from school without authorisation and this includes taking holiday in term time you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued. Penalty Notices are issued per liable parent, per child and each carry a fine of £80. We do understand that for many families working in rural area that it is difficult to take holidays in August and there are also financial considerations, but we must follow the law as set out by the government.

Thank you

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

Catkins Update

Last week in Catkins, the children aboard the Boyton Airways plane with their passports and luggage, to learn about journeys and travel, Captain Gubbin was the pilot and Mrs Lawton served tea and coffee as the flight attendant.

The children thought about where on Earth they would like to journey to and what adventures they could have!

It's pirate pandemonium in Catkins this week! The children have been learning about the cheeky rascals that roamed the world many years ago. We have made treasure maps, walked the plank and found buried treasure.

On Friday morning, we built a scarecrow for a competition and Friday afternoon, we checked on our vegetable patch in the sunshine, giving our potatoes and tomatoes a good drink of water. The weather looks set fair for next week, so please remember the children need water, sun cream and hats for our final two days in Catkins class.

At 2.30pm next Thursday afternoon, we are having a short but sweet end of year celebration of the progress and growth your children have made during their time as Catkins, you are all more than welcome to come along before you take your children home for the summer!

What a busy few days! Well done, Catkins – Mrs Lawton and Mrs Gubbin

Acorn/Birch Class Update

Acorns and Birch have been very busy with their learning over the last two weeks! Acorns have been reading 'The Snail and the Whale' in drawing Club, which linked well with our trip to the beach on Tuesday! Birch have been writing letters to superheroes, inspired by the book 'Send for a Superhero', using adjectives to describe characters and writing noun phrases. The Year 2 children have started a new math's topic and have been using non-standard units of measurement to measure the length and weight of different objects, as well as standard units of measurement. In RE, the children enjoyed making models of a mosque, adding lots of characteristics to their buildings! We all had a great time at the beach – we found treasure by using co-ordinates on a map, built a pirate ship and took part in some pirate team games. As always, thank you for listening to your child read every day at home – this is so important for all of your child's learning.

Have a lovely weekend!

Mrs. Gilman

Chestnut Class Update

During the English lesson this week, the children have worked hard at writing their own story, which has been based on the story 'Rumaysa'. They have showed a range of writing techniques, such as using fronted adverbials and extending their sentences using adjectives.

The children have enjoyed reading the 'Little Match Girl' in guided reading, where the children have learnt about the hardships of life in Victorian times. The children have answered a range of questions, using skills such as retrieval, inference and making summaries.

In Maths this week, the Yr 3/4 children have recapped their learning on subtraction and how to regroup the numbers. Whereas the 5/6 children have had a learning focus on factors, multiples and prime numbers. The children have worked in pairs to compare answers and to check each other methods.

In P.E this week, the children have become more accurate with batting and bowling in rounders and continued to improve their hand eye co-ordination with Tennis.

We had a lovely morning on the beach, where the children took part in beach sports, scanger hunts and treasure hunts using co-ordinates.

Have a lovely weekend!

Why you must NEVER share a verification code

Most email and social media users now know that one of the best ways to keep your on-line accounts secure, is to set up **Two-Step Verification** (sometimes called Two Factor or Multi Factor Authentication). Scammers know this and are increasingly targeting people across Devon and Cornwall by tricking them into sharing their verification codes. Here's how to avoid falling for those tricks

1. Your verification code is YOUR final security barrier

A scammer may already have your password, maybe from a previous data breach, especially if you have used the same password across multiple on-line accounts (never do that). Or maybe by successfully guessing it using personal information they already have about you, perhaps from a CV you completed in the past.

If they have your password then often the only thing stopping them accessing your account is the verification code that normally gets sent to your mobile phone, particularly when a login attempt is detected from a new device or a new location.

❗ If you are tricked into sharing that code, you are letting a scammer in to your account

2. Always remember, real organisations will NEVER ask you for it

No legitimate bank, government department, organisation or employer / potential employer will ask you to share a verification code.

The code is **FOR YOUR EYES ONLY** and only for you to enter into a secure website or app. If someone asks for it by phone, text, or email, **IT IS A SCAM**.

They may claim it's to "verify your identity" or "process your application" — but in reality, they are trying to access your account

3. You could be instantly locked out of your account

If a scammer gets your verification code they could then:

Access your account Change your password Update your contact details

❗ This can lock you out of your account within second

The Golden Rule

Treat your verification code like your PIN or Password — it is FOR YOUR EYES ONLY
If anyone asks for it, no matter how urgent or convincing they sound, the answer is always: **"NO"** **If you are the victim of Fraud or Cybercrime**

Report online to [UK's Home for Reporting Cyber Crime & Fraud - Report Fraud](#)

Community Money Advice

As the cost of living crisis continues to affect us all, local Launceston based Charity - Community Money Advice are able to help those in need of support. Are money problems and debt getting you down? Are you struggling with your household budget? Would you like help filling out forms? Community Money Advice Launceston is a team of volunteers, including trained money advisers, who offer free and confidential advice to anyone who is experiencing problems with managing their money.

CMA also continues to work closely with colleagues at Launceston Foodbank and Launceston Job Centre so – to both existing and new clients – please get in touch if you think they might be able to help you. 01566
